

Highlights from September — December 2019

STUDENT FEEDBACK SESSION AT SUN PRAIRIE HIGH SCHOOL

Overview

This fall, as students kicked-off another school year, the referendum planning and design work continued in earnest. Engagement continued with community, staff and District leadership on all of the projects.

A few notable activities occurred from September - December 2019:

- Continued community, staff and student engagement including a neighborhood open house, a community meeting on the traffic impact of Sun Prairie West High School, user group meetings, and student feedback sessions.
- Continued engagement with the City of Sun Prairie's Planning and Engineering Team for Sun Prairie West High School site.
- Held a Groundbreaking Ceremony for the Ashley Field project after the final 2019 home football game on October 18, 2019.
- Continued to refine design plans for Sun Prairie West High School based on work with user groups and committee feedback.

Secondary Space Capacity

During the fall months, the Current & Second High School Subcommittee focused on the following:

- Completed schematic design and design development phases in preparation for construction documents.
- Presented preliminary concepts for exterior and interior design.
- Furthered the site and outdoor athletic design.

At-a-Glance

Here's a quick look at what has been happening:

- Two [Activities, Athletics & Recreation Subcommittee](#) meetings.
- Four [Current & Second High School Subcommittee](#) meetings.
- Six [Operations & Capital Maintenance Subcommittee](#) meetings.
- Three [Middle School, Prairie Phoenix Academy and Professional Development & Training Subcommittee](#) meetings.
- Eight [Core Planning Team](#) (CPT) meetings.
- 20 meetings with high school user groups including:

Music	Art
Performing Arts	Nutrition Services
Administration	Library Education
CTE/Agriculture/Drivers	Library Media Services
Education	Special Education
Science	Custodial Staff
World Language, ELA,	Nurse/Health Office
Math, Social Studies,	Physical Education
EL, AVID	Weights & Fitness
Family Consumer	Pool
Science	

- Two [Student Migration Planning Team Subcommittee](#) meetings.
- Four [Naming, Logo & Mascot Subcommittee](#) meetings.
- After a competitive RFP process, Midwest Sport and Turf Systems was selected to provide the synthetic turf for Ashley Field and the Sun Prairie West High School varsity softball field.
- Work continued with civil, plumbing, HVAC, and electrical engineers on the Ashley Field project and Sun Prairie West High School.
- Neighborhood and community engagement sessions were held and planning continues for more community events in the months ahead.
- Student feedback sessions were held regarding the design for the new Sun Prairie West High School.

REFERENDUM UPDATE

Highlights from September – December 2019

Secondary Space Capacity (continued)

The Naming, Logo & Mascot Subcommittee completed a number of its tasks and determined the following:

- The second high school will be named Sun Prairie West High School.
- The school's logo and mascot will be a wolf.

The committee will be unveiling the final logo design.

Outdoor Multi-Purpose Facilities

The Activities, Athletics & Recreation Subcommittee was busy this fall, continuing their focus on activity and athletic spaces at Sun Prairie West High School, as well as finalizing plans for the Ashley Field project. Here is a summary of their work:

- Finished the design of the Ashley Field site and stadium, and issued architectural drawings for construction.
- Held a groundbreaking for the Ashley Field project.
- Selected a synthetic turf vendor for Ashley Field and Sun Prairie West High School varsity softball field.

For more information on the construction progress of the Ashley Field project, visit the District's [website](#).

Cardinal Heights Upper Middle School

Following the completion of the Sun Prairie West High School, the Cardinal Heights Upper Middle School, renamed Central Heights, will be renovated to serve four critical needs of the District:

1. Provide educational space for 6th–8th grade middle school students. Patrick Marsh and Prairie View will be the other two middle schools.
2. Provide educational space for Prairie Phoenix Academy. The current building will be demolished.
3. Remodel space for professional development and training.
4. Provide space for the District's 18–21-year-old program.

The design team, leadership and the three user groups will re-engage in January 2020, as the Cardinal Heights renovation is the last phase of the referendum projects.
