School Description

Cloverly Elementary School, the companion school to La Rosa Elementary School, serves students in grades 4-6. This unique combination allows staff to focus on the specific needs of upper-grade elementary students. Cloverly's success is due in large part to the outstanding partnerships that exist among its community, parents and teachers. Cloverly is recognized as a California Distinguished School, a Title I Academic Achievement Award recipient, identified as a STEM (science, technology, engineering and mathematics) Honor Roll school for our outstanding student achievement in mathematics and science, placed on the Honor Roll from the California Business for Education Excellence, and has received awards from the Los Angeles County Office of Education for its Support Personnel Accountability Report Card for student guidance and support services. Our focus of "Whole School for the Whole Student" integrates a rigorous academic program, computer science, character education, and fun activities for students and family that build a strong sense of camaraderie, personal worth, and pride in school.

School Mission Statement: Cloverly Elementary School, in partnership with families and the community, will maximize the potential of all students through collaborative, creative learning that is linked to authentic real-life applications.

School Vision Statement: The Cloverly Elementary School community has high expectations, and we have a commitment to action through:

- The collaboration of students, staff, families and community
- The use of best teaching practices
- A responsiveness to diverse needs
- Implementation of educational technologies
- The development of lifelong learning skills

We expect that the students of Cloverly Elementary School will become productive, respectful, responsible, accountable, compassionate citizens.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Textbooks and Instructional Materials

A representative group of teachers and administrators reviews instructional materials. The committee meets for a detailed comprehensive analysis of materials from publishers. The materials must meet a pre-established criteria based on an instructional materials evaluation tool. They are as follows:

1. Compliance with Board Policy and Administrative Regulations
2. California standards alignment
3. Focus on coherence within a grade and across grade levels
4. Rigor and balance
5. Access for all students
6. Assessments for progress monitoring and in support of the California assessments
7. Support for English language learners
8. Support for special populations

In addition to the items delineated above, the committee considers digital resources for staff, students and parents to support learning in varied environments. The committee reaches a consensus, and the Board of Education makes the final decision on the chosen textbooks upon reviewing the committee's recommendation.

Textbooks were chosen using state-approved lists, and the content fit within the curriculum frameworks adopted by the State Board of Education.

School Facility Conditions and Planned Improvements (Most Recent Year)

Cloverly Elementary was established in 1950. There are 20 classrooms on the campus, one of which is considered portable and is utilized as a Makerspace for students and teachers to take part in science, technology, engineering, and math (STEAM) activities. In addition to classrooms, Cloverly includes a media center/ library, a computer lab, a cafeteria and a large athletic field. The Cloverly campus is in good condition as reported on the 2019 FIT Report. There are sufficient classroom, playground and staff spaces to support teaching and learning. Most modernization projects using bond proceeds have been completed and the final projects will wrap up in summer of 2020.

The Cloverly campus is maintained and school safety ensured by a district maintenance crew of 10 and by a site janitorial staff of three. Issues and repairs not resolved by the site janitorial crew are completed by the district maintenance crew on a prioritized work-order system. Modernization projects completed in 2016 using bond proceeds have enhanced all classrooms for all students. Improved lighting and technology provide students with computer science opportunities and 21st century learning skills. Cloverly maintains classrooms and grounds as pleasant places to meet and learn.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	64	67	68	71	50	50
Math	68	67	67	68	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	24.7	22.8	15.8

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Parental Involvement:

Cloverly is a school where we provide parents, family, and community members numerous opportunities to be informed, involved and empowered in the education process. Every month the school provides a time for family, friends and caregivers to eat lunch on the lawn with their child. On a bimonthly basis, the school invites families to our Superstar Breakfast, where students from each classroom are recognized for their out-standing role in serving as role models for our Pillars of Character Program. Our School Site Council, which consists of parents and staff members, develops, monitors and assesses our school site plan yearly to ensure that financial accountability and program goals are in compliance with our vision. The Cloverly PTA provides invaluable volunteer and financial assistance for school programs and activities. The PTA sponsors a plethora of family events that promote camaraderie and school pride. Our most popular events are the Mother/Son Bowling Night, Father/Son Laser Tag Night, Mother/Daughter Tea and the Father/Daughter Dance. Cloverly also participates in the Temple City Kiwanis Students of the Month Recognition Program. Quarterly, the principal sends home an informative bulletin and holds evening meetings to update parents on school procedures, activities and academic progress. The Student Success Team provides guidance to teachers, parents, and students with special needs and concerns in social, emotional, and academic areas.

For more information on how to become involved at the school, please contact Judy Call, community liaison, at (626) 548-5096 or jcall@tcusd.net

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

In accordance with Senate Bill 187 and Education Code 35294.6, all schools have adopted a Safe School Action Plan. These plans will remain in effect through the school year, are reviewed annually and are available for public view in the school office. Key elements and goals of the Safe School Action Plans are: All students and staff members are provided a safe teaching and learning environment. All students are safe and secure while at school, when traveling to and from school, and when traveling to and from school-related activities. District programs and approved community resources are made available to students and parents. Schools provide an educational environment where students, parents, staff and community members shall effectively communicate in a manner that is respectful to all cultural, racial and religious backgrounds. The school safety plan was last reviewed, updated and discussed with the school faculty in January 2019.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	3

Professional Development:

The staff attends regularly scheduled in-service workshops, conferences and districtwide articulations involving instruction in all academic areas to learn new techniques to upgrade teaching skills. Our current initiatives are computer science with Code to the Future, Cognitive Guidance Instruction for the development of students' mathematical thinking, specially designed academic instruction in English for our English language learners, Thinking Maps, Next Generation Science Standards (NGSS), iReady and the Character Education. We have also targeted closing the achievement gap for our English language learners and the implementation of Common Core State Standards as instructional focuses. Modified Wednesdays and three staff-development days are utilized to provide necessary staff training in order to maximize engagement and learning for all students. Instructional paraprofessionals and volunteer personnel also attend workshops dealing with the diagnosis, prescription and evaluation of student needs

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
