K-2: With the help of a parent or older sibling find a **READ ALONG**. This is a picture book that will be read aloud and highlight the words so you can follow along. To find one that can be checked out today:

- Find the **EXPLORE** binoculars across the bottom bar.
- In **PREFERENCES** change Available Books from EVERYTHING to AVAILABLE BOOKS hit APPLY. (This means you will only see books that can be checked out today)
- Now go to **COLLECTIONS** and choose **READ ALONGS**. You will see a list of books that can be checked out today.
- Choose one and open it right in the Sora app. Be sure and start navigation at the bottom of the screen to have it read aloud to you.
- Let me know which book you read [here](#).

3-6: If you are comfortable with **Sora** and use it regularly, carry on.

- For those of you who might need a refresher,
 - let's search for an available book by genre or topic: ○ Go to the **EXPLORE** page.
 - In **PREFERENCES** change Available Books from EVERYTHING to AVAILABLE BOOKS hit APPLY.
 - Scroll down to the **POPULAR SUBJECTS**. Open EXPLORE ALL SUBJECTS and search for a topic that interests you. For example: **Comic and Graphic Books**.
 - Find, Check-out and Read.
 - Let me know which book you read [here](#).

REMEMBER:

- Return a book when you're finished, so the next reader can get it.
- If you put a book on hold, check back daily to see if it's ready for you.
