

A vibrant photograph of a waterfall cascading down a rocky cliff in a dense tropical forest. Large, bright green fern fronds are prominent in the upper left and right corners, framing the waterfall. The water is white and frothy as it falls, creating a misty spray at the base where it meets a pool of dark green water. The surrounding vegetation is thick and green, with various types of trees and plants visible. The overall scene is peaceful and scenic.

# **Flamingo and Pup**

**Once there were two friends, a Pup and a Flamingo....**

**One day, they decided to take a trip to the Golden Fish Pond.**

**BEWARE**
