# Emergency Funds

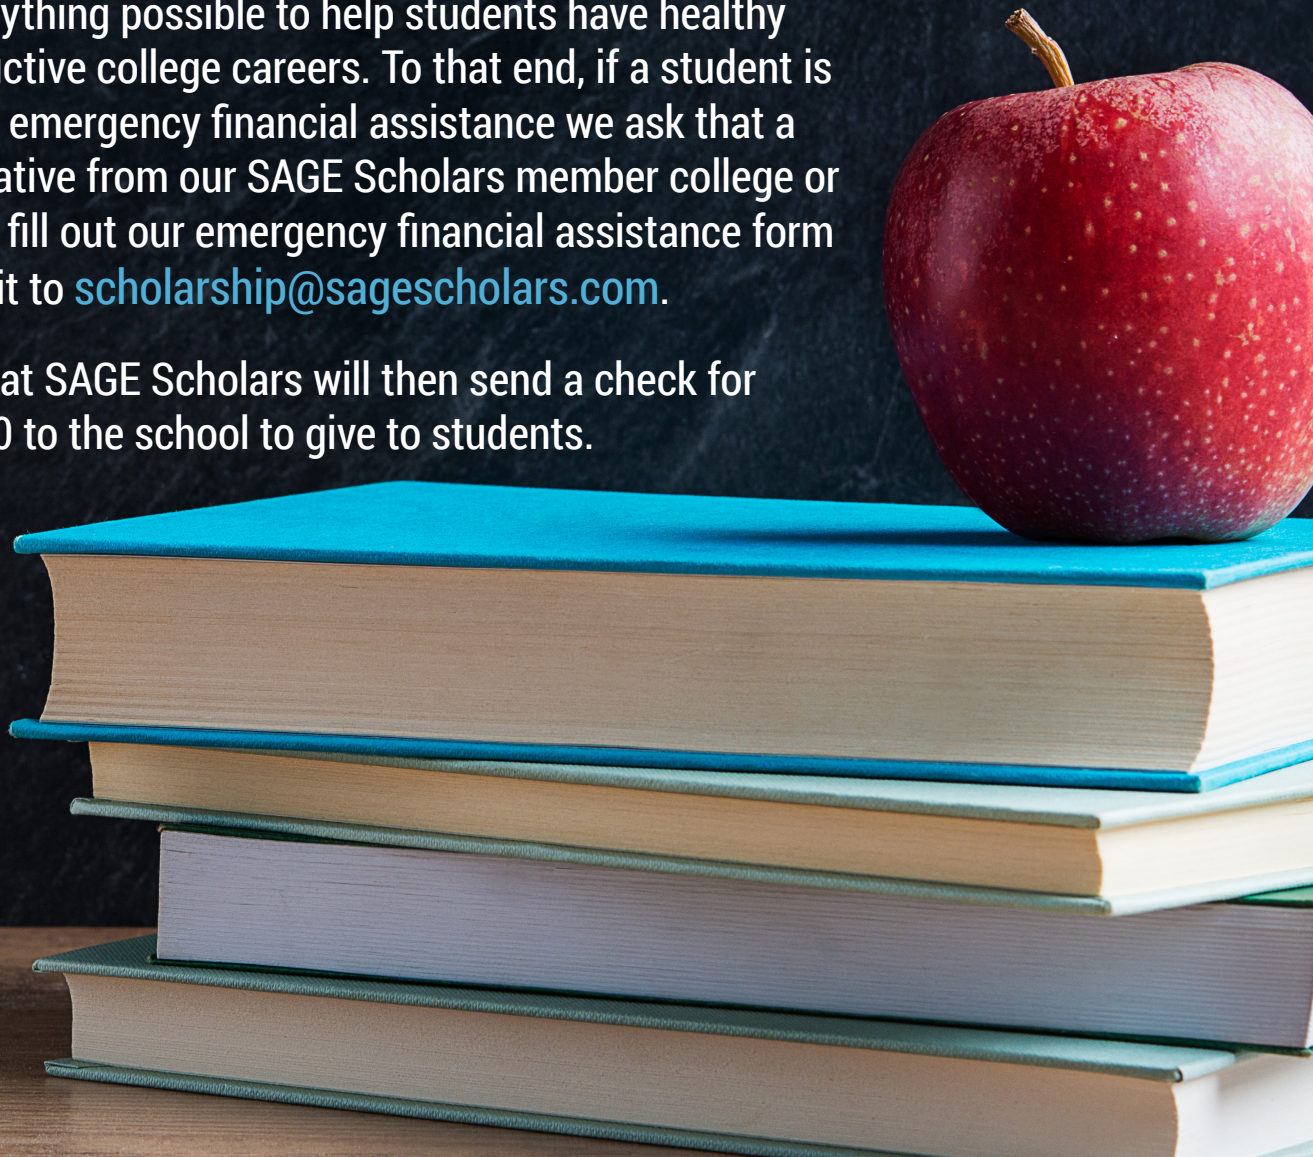

Announces Emergency Funds for Students Facing Financial Difficulties

\$100,000 in Emergency Funds are Available to Students attending SAGE Scholars Member Colleges and Universities

In line with our company's mission, SAGE Scholars wants to do everything possible to help students have healthy and productive college careers. To that end, if a student is in need of emergency financial assistance we ask that a representative from our SAGE Scholars member college or university fill out our emergency financial assistance form and send it to [scholarship@sagescholars.com](mailto:scholarship@sagescholars.com).

The team at SAGE Scholars will then send a check for up to \$250 to the school to give to students.
