

Dear Parents,

As you have probably learned from district communication, Kaufman ISD will be closed from March 16 through April 3. It is the desire of the district to provide digital educational resources that our students can use while they are at home. This document will continue to be updated as information becomes available.

The majority of the educational applications listed below can be accessed through the [Clever Portal](#). Here is an [instructional document](#) for using Clever. Students are able to access Clever from home or school using their alphakey as username and student ID as password. Click on this [Clever](#) link for direct access. If you need help with access during the school closure, use this link to submit a help ticket: <https://support.clever.com/hc/en-us> (7am-8pm).

| Resource Name with Application Icon you would see on Clever | Description of Digital Resource | Grade and Discipline | Tutorial Documents and/or Videos |
|-------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  | Provides access to students and teachers to learning applications provided by Kaufman ISD. | Each student and teacher dashboard is personalized with the applications provided for that individual, Pk-12 | Clever Once on your dashboard, click on the icon for the application below to access the District resource. |
|  | Kaufman ISD has partnered with BASE Education to deliver required social emotional content (Bullying, Cyber Bullying and Digital Citizenship) to students | Grades 3 – 12 Required Course | Base Edu Grades 6-12 Base Edu Grades 3-5 |
