RE: Advanced Placement, Dual Credit, and IB Enrollment Report

Please find the attached South Texas ISD Advanced Placement (AP) Program, Dual Credit, and International Baccalaureate (IB) Enrollment Report. The report shows a listing of STISD Pre Advanced Placement, Advanced Placement, Advanced Placement Dual Credit, and International Baccalaureate Enrollment courses on each campus.

The first step in providing an outstanding quality education for each student is to provide the opportunity for every student to successfully participate in high quality advanced coursework. South Texas ISD not only has an open enrollment policy for every Pre Advanced Placement, Advanced Placement, and International Baccalaureate course, but we actively recruit, encourage, and support every student to participate in these courses.

Our students, parents, teachers, and campus staff are to be commended for their commitment to excellence for every student.

Thank you.

South Texas ISD
