

Each year our PTO provides approximately \$18,000 on annual purchases including money to defray the cost of field trips, assemblies, author visits, March is Reading Month prizes, supplemental classroom materials such as Scholastic News, teaching supplies, books for classroom libraries, transportation to fifth grade camp, and other items.

Each year the PTO identifies a large item to purchase as well. The purchases the last few years include:

2019-2020 - paint classrooms, bathrooms, conference rooms

2018-2019 - materials/equipment to promote Science, Technology, Engineering, Art and Math

2017-2018 - Electronic Sign, Media Center furniture

2016-2017 - Bulletin Boards

The entire PTO budget is based on a fall fundraiser called the fun run that is held each year where students raise funds.
