K-2nd Grade Parents,

I hope this communication finds you safe, well, and in good spirits.

This is a challenging time for all in our community and beyond, but one that we will get through by demonstrating grace and compassion. Again, I want to reiterate to please contact me if you know of anyone in our Broken Arrow Community facing great struggles due to the stay-at-home order and the closure of many businesses. We are doing whatever we can to support those in need within our community. Families can also complete the Google Form that sends information directly to our school social worker, who will reach out with community resources available.

We have been working diligently all week in preparation for the launching of continuous learning next week. We realize that our K-2nd grade students will need their iPads to engage. Due to the strict stipulations placed on when we can enter our school (Currently two days a week for four hours each day, and only ten people at any given time), we are dispersing iPads in the most timely manner possible.

iPads will be distributed to families at an assigned time on Thursday, April 2nd.

Please see the important information below for picking up your student's iPad in the safest way possible. *Please also note that continuous learning for our students is an exclusion to the stay-home order. You will **NOT** be in violation of the stay-home order for picking up your child's iPad.*

Broken Arrow iPad Distribution Plan (Continued on next page)

- **Identical to daily student pick-up routine to keep things simple for our BA families, yet safe.**
 - **Families are assigned a time for pick up by last name.**
 - **Families pull up to a numbered cone.**

- Mrs. Watkins, the car caller, calls student names **that are posted in the passenger window on a piece of paper**, to the assigned cone.
- iPad storage tubs, organized by last name, will be placed in stations at least 6-10 feet apart outside under the awning. (Social distancing)
- BA Staff will take the iPad bag and place it **in the trunk** of the family's vehicle. **Families should keep their windows up and stay in their vehicle.**
