Policies & Procedures Review

(Cite specific local or state policy & procedure codes and the extent to which the proposed action can be done within present policy requirements. Does the action require a policy or procedure change prior to approval? If so what is your recommendation with supporting reasons?)

There is no impact on policies or district level procedures from this proposed action.

The addition of this new Camp SOAR is a positive for students.

The interaction with Texas A& M University College of Engineering will also strengthen our partnership.

The cost is considerable, as is always the case when participating with competitive schools.

Budget Impact Review

(Cite specific line items that will be affected. If the proposed action requires expenditures, are there sufficient funds in the present budget to cover the expense if the proposed action is approved? If insufficient funds exist to support the proposed action so indicate and recommend specifically how a proposed budget amendment would be presented to accommodate the proposed expense.)
