# Mission Statement

The mission of South Texas ISD Health Professions is to provide students with rigorous academic instruction and advanced technical skills that will allow for their successful transition into allied health careers and/or post-secondary education.

## Vision

To engage students in a focused, challenging curriculum within a small, caring community of learners.

## Value Statement

We Believe:

that the entire community shares the responsibility of promoting the success of the school's mission by creating a support system for all learners;

that challenging academics are developed, facilitated, and maintained by the school community across a diverse student population;

that a positive and safe school climate is essential to the learning process;

that the application of knowledge and skills will be an integral part of our instructional programs;

that students and teachers need to become proficient in accessing, evaluating, and using information, resources, and current technology;

that students learn in a variety of ways and that classroom instruction and assessment should reflect these individual styles;

that personal growth is enhanced by increased self-esteem, cultural awareness through positive relationships, and mutual respect among and between students and staff;

that students will participate in a career program which will enable them to successfully transition into higher education and/or the work force;

and, that the special needs of each student are identified, addressed, and accommodated.

In addition...

WE BELIEVE that . . .

each individual is unique and has intrinsic worth.

all students have the potential to be successful learners.

hard work and perseverance are necessary to achieve full potential.

learning happens best when it is exercised as a choice.

focused teaching and learning is paramount to growth and development.

change creates opportunity.

lifelong learning is vital in a changing world.

learning is both an individual and shared responsibility.

communities benefit when people willingly contribute to the well-being of

others.

a safe environment is essential for learning.

understanding and respecting diverse cultures, ideas and values is

essential in a global society.

integrity is the foundation upon which to build trust.

education is an investment in community well-being.
