

March 25, 2020

Dear CHS Families,

In times like this, communication is essential. This webpage is designed to be a resource, providing one central location to access information, updates, and communications. During this unprecedented global pandemic, the CHS community is stronger than ever. Our faith sustains us at all times and especially in times of distress. Together, we can meet and overcome any challenges. Our unity will last far beyond this crisis.

We value our families and their cooperation, commitment, and dedication to the school. Thanks to the extraordinary efforts, flexibility, and adaptability of CHS faculty and staff, our classes continue through the process of Digital Learning Days (DLD). This allows for seamless learning through remote access to online classes despite major disruption. Fortunately, CHS students, faculty, and staff were well equipped to transition to digital classes through our established use of Gsuite for Education and Chromebooks. By utilizing these technologies, we stay connected with one another and facilitate regular interaction between teachers, students, and content.

Our faculty and staff continue their good work and the channels of communication are open. Please reach out to our staff via email and/or phone if you have any questions or concerns. They are available during normal working hours from 8 AM to 4 PM. We are here for you.

The CHS community has so many strengths as evidenced by the rapid adjustment to an evolving national and global crisis. In the face of adversity, our community really shines. Right now, the focus is on pulling together and taking action for the greater good, for all of humanity.

I continue to keep you and your family in my prayers. We also pray for all healthcare workers and all those affected by Covid-19.

Kind regards,  
Peggy Boon
