RE: Graduate Report

Please find the attached South Texas ISD Graduate Report. The data reflects ten years of graduates and is updated to include the 2019 district and campus graduates.

South Texas ISD local board policy EIF requires that all students have a minimum of 26 high school credits to graduate from STISD. In addition, our high school course sequences ensure a strong curriculum for every student.

The district and campus goals are to have 97% or higher of our students completing the foundation program with endorsements. In 2019, STISD graduates accomplished this goal with 99.7% having graduated with the foundation program with endorsements.

Thank you.
