RE: Graduate Report

---

Please find the attached South Texas ISD Graduate Report. The data reflects eleven years of graduates and is updated to include the 2018 district and campus graduates.

South Texas ISD local board policy EIF requires that all students have a minimum of 26 credits to graduate. In addition, our four-year course sequences ensure a strong curriculum for every student.

The district and campus goals are to have 97% or higher of our students completing the foundation program with endorsements. In 2018, STISD graduates accomplished this goal with 99.8% having graduated with one of this high level high school program and endorsements.

Thank you.
