RE: State Assessment Results Spring 2018 STAAR 7<sup>th</sup>/8<sup>th</sup> & End of Course Exams

---

The Spring 2018 State of Texas Assessments of Academic Readiness (STAAR) 7<sup>th</sup>/8<sup>th</sup> and STAAR End of Course (EOC) state assessment reports are attached. Here in STISD, the 7<sup>th</sup> and 8<sup>th</sup> graders are taking advanced courses and are state tested above their enrolled grade. The EOC examinations are administered to students in five subject areas of English 1, English 2, Algebra 1, Biology 1, and U.S. History. The next pages summarize the grades 7 and 8 scores for this spring by campus and subject, followed by the more detailed reports.

The STAAR results are strong. This is the second year of the scoring levels, "Approaching", "Meets", and "Masters". We have set district goals of 100% of students meeting at least the Approaching level, 85% or higher reaching the Meets level, and 50% or higher reaching the Masters level. The states goals are lower at 90% of students meeting at least the Approaching level, 60% or higher reaching the Meets level, and 30% or higher reaching the Masters level.

We continue utilizing our local formative assessments to refine classroom instruction. The STAAR and the STAAR EOC scores will continue to improve as we keep our focus on higher-level objectives and adjusting based upon the individual student needs. The EOC is made more difficult because most of these exams are early on in a student's high school or even junior high experience. There is less time to work with students here at South Texas ISD before they take these state exams. The students who we have longer to work with through 7<sup>th</sup> and 8<sup>th</sup> grade at STPA and Rising Scholars perform significantly better on the EOC exams.

State accountability ratings for the district and campus will be assigned later this year in the fall using another new system from the state.

Thank you.
