RE: State Assessment Results Spring 2017 STAAR 7th/8th & End of Course Exams

The Spring 2017 State of Texas Assessments of Academic Readiness (STAAR) 7th/8th and STAAR End of Course (EOC) state assessment reports are attached. Here in STISD, the 7th and 8th graders are taking advanced courses and are state tested above their enrolled grade. The EOC examinations are administered to students in five subject areas of English 1, English 2, Algebra 1, Biology 1, and U.S. History. The next page is a summary of the grades 7 and 8 scores for this spring by campus and subject. The second page is a summary of EOC scores for this spring. The pages that follow are the more detailed reports.

The STAAR results are strong. The state has changed the scoring levels starting this year to Approaching, Meets, and Masters. We have set district goals of 100% of students meeting at least the Approaching level, 85% or higher reaching the Meets level, and 50% or higher reaching the Masters level.

We continue utilizing our local formative assessments to refine the instruction. The STAAR and the STAAR EOC scores will continue to improve as we keep our focus on higher-level objectives and continue making adjustments based upon the individual student need. The EOC is made more difficult because most of these exams are early on in a student's high school or even junior high experience. There is less time to work with students here at South Texas ISD before they take these state exams. The students who we have longer to work with through 7th and 8th grade at STPA and Rising Scholars perform significantly better on the EOC exams.

State accountability ratings for the district and campus will be assigned later this year in the fall.

Thank you.
