RE: State Assessment Results Spring 2016 --- STAAR 7th/8th grade and STAAR
End of Course

The Spring 2016 State of Texas Assessments of Academic Readiness (STAAR) Grades 7-8 and End of Course (EOC) state assessment reports are attached. The EOC examinations were administered to students in the five subject areas of English 1, English 2, Algebra 1, Biology 1, and U.S. History. The first page is a summary of the grades 7-8 scores for this spring. The second page is a summary of EOC scores for this spring by campus and subject. The pages that follow are the more detailed reports. There is also an attached Texas Education Agency press release concerning the accountability release dates.

The STAAR grades 7-8 results are exceptional. The STAAR EOC results are strong. As you are aware, there were serious testing issues with the new state testing contractor. The English 1 and English 2 EOC scores were affected by the testing issues.

We have been working to utilize formative assessment to refine our instruction. The EOC scores will continue to improve as we keep our focus on higher-level objectives and to make adjustments based upon the individual student need. The EOC is made more difficult because most of these exams are early on in a student's high school or even junior high experience. There is less time to work with students here at South Texas ISD before they take these state exams. The students who we have longer to work with through 7th and 8th grade at STPA and Rising Scholars perform significantly better on the EOC exams.

State accountability ratings for the district and campus will be assigned later this year in the fall.

Thank you.

Correction Window for STAAR Results and Changes to the 2016 State Accountability Ratings Release Schedule

[Word Version](#)

July 8, 2016

TO THE ADMINISTRATOR ADDRESSED:

SUBJECT: Correction Window for STAAR Results and Changes to the 2016 State Accountability Ratings Release Schedule

The Texas Education Agency (TEA) and Educational Testing Service (ETS) are working together to ensure that school districts have an opportunity to fully verify the accuracy of data used for 2016 state accountability. As a result, ETS is conducting additional quality control checks, and districts will have additional time to make corrections to their State of Texas Assessments of Academic Readiness (STAAR) grades 3–8 and EOC data files.

ETS will include all corrections submitted by districts through July 20, 2016 in the final Consolidated Accountability File (CAF) submitted to TEA. This will include corrections to student ID information (first name, last name, PEIMS ID, and DOB), score code changes, and test language version updates submitted by districts through July 20, 2016 (an extension of the June 30 correction date provided previously). All rescore requests for the December 2015 and spring 2016 English I and English II assessments processed by July 20 will also be included.

Districts may begin immediately submitting corrections online for student ID information, score code changes, and test language versions using the existing processes outlined in the STAAR Assessment Management System Users' Guide. Results for students attributed to the wrong campus can be correctly attributed using a standard template provided by ETS. This template will be available in the Help section of the STAAR Assessment Management System on Monday morning, July 11.

As a result of this additional opportunity to make corrections to district data files, TEA has modified the timeline for accountability releases. The following dates reflect this change:

- **Friday, August 12, 2016:** The 2016 accountability ratings are released to districts and campuses through the TEA Secure Environment (TEASE) website.
- **Monday, August 15, 2016:** Accountability ratings are released to the public on the TEA website.
- **August 12–September 30, 2016:** 2016 appeals application is available to districts through TEASE.

- **By Friday, August 26, 2016:** Accountability data tables are released through TEASE and to the public on the TEA website.
- **By Friday, September 16, 2016:** System safeguards, distinction designations, and accountability summaries are released to districts through TEASE and to the public on the TEA website.
- **Friday, September 30, 2016:** 2016 Appeals Deadline.
- **December 2016:** TEA notifies districts of accountability appeal decisions via mail and TEASE.
- **December 2016:** Final accountability ratings that reflect the outcome of any ratings appeals are released to the public on the TEA website.
- **December 2016:** List of campuses identified under PEG criteria for 2017–18 school year are released to the public on the TEA website.
- **December 2016:** 2015–16 Texas Academic Performance Reports are released to the public on the TEA website.

Separate correspondence concerning these schedule changes and their impact on related interventions and sanctions will be forthcoming from the Performance Monitoring and Intervention Division.

If you have questions about STAAR reporting, please contact the Student Assessment Division at 512-463-9536. If you have questions regarding state accountability, please contact the Performance Reporting Division at 512-463-9704.

Sincerely,

Mike Morath
Commissioner of Education
