RE: State Assessment Results Spring 2015 --- STAAR End of Course and  
7<sup>th</sup>/8<sup>th</sup> grade

---

The Spring 2015 State of Texas Assessments of Academic Readiness (STAAR) Grades 7-8 and End of Course (EOC) state assessment reports are attached. The EOC examinations were administered to students in the five subject areas of English 1, English 2, Algebra 1, Biology 1, and U.S. History. The first page is a summary of the grades 7-8 for this spring comparing this spring to last spring 2014. The second page is a summary of EOC scores for this spring by campus and subject. The pages that follow are the more detailed reports.

The grades 7-8 results are exceptional. The EOC results are strong. We have been working to utilize formative assessment to refine our instruction. The EOC scores will continue to improve as we continue to focus on higher-level objectives and to make adjustments based upon the individual student need. The EOC is made more difficult because most of these exams are early on in a student's high school or even junior high experience. There is less time to work with students here at South Texas ISD before they take these state exams. The students who we have longer to work with through 7<sup>th</sup> and 8<sup>th</sup> grade at STPA perform significantly better on the EOC exams.

State accountability ratings for the district and campus will be assigned later this year in the fall.

Thank you.
