

Public Prep School Uniform Policy

JEWELRY AND OTHER ACCESSORIES (GENERAL GUIDELINES)

We would prefer if students do not wear jewelry. Large earrings, multiple chains, rings, and bracelets distract from the uniform and from learning. In addition, such items can get lost or stolen. If a student chooses to wear jewelry, it must be modest.

The school has the authority to determine what jewelry is inappropriate, excessive or distracting and a student will be asked to remove such items. We are not responsible for lost or damaged jewelry.

Hats may not be worn during the school day.

MAKEUP, HAIR & NAILS:

- Absolutely no makeup for PreK and Elementary students (only lip balm permitted).
- Middle school students with excessive and distracting makeup may be asked to remove it at a staff member's discretion (absolutely no makeup items should be out and being applied during the school day).
Hair accessories, bangs covering the eyes, or hairstyles that distract the student or those around them will not be permitted.
- Religiously-mandated head coverings such as hijabs are, of course, respected. No sleep headdresses, hair nets, du-rags, shower caps, etc.
- Artificial nail extensions are not permitted for PreK and Elementary students.
- Nail accessories or polish that distracts the student or those around them will not be permitted

Undergarments must not be visible through the uniform shirt (please avoid bright colors); sagging pants are not permitted.
