

TRADITION

Misericordia University was founded in 1924 in northeast Pennsylvania, to provide a quality education to the daughters of coal miners who previously did not have access to a college education. Misericordia continues to offer a superior education to those of all faiths.

VALUES

Just like our Cougar pride, our core values (also called "Charisms") of Mercy, Service, Hospitality, and Justice resonate throughout our campus community. They have withstood the test of time and continue to guide and inspire who we are today.

MISSION

Misericordia University, a Catholic liberal arts institution established in the tradition of the Sisters of Mercy, fosters intellectual curiosity, critical thinking, and respect for persons in an environment where all are welcome.

& MORE

GET INSPIRED BY MISERICORDIA

Located in the beautiful Back Mountain, Misericordia University is nestled on more than 127 acres within a safe, suburban community in Dallas, Pa. There's easy access to outdoor recreation, including hiking trails, state parks, and ski resorts. You will also have a variety of entertainment and dining options, in addition to diverse cultural and educational opportunities.

We're also a short distance away from Wilkes-Barre and Scranton, home to the Penguins, the American Hockey League affiliate of the National Hockey League's Pittsburgh Penguins, and the Railriders, the AAA affiliate of the New York Yankees.

Misericordia is conveniently located only 2 hours away from both Philadelphia and New York City.

Coupled with the natural beauty of our campus, Misericordia provides you with an environment that welcomes individuality and inspires learning and creativity.

At Misericordia, you will benefit from the personal interactions and a collaborative educational experience where faculty work with students in a one-on-one learning environment.

Unlike at larger schools, our dedicated faculty are there to answer questions and meet with you outside of class, giving you a voice in your education.

According to the 2019 National Survey of Student Engagement (NSSE), seniors at Misericordia indicated they have worked with a faculty member on activities other than coursework more often than seniors at other private colleges.

While we may be small, we are also MIGHTY. We have the support systems, the student resources that focus on career preparation, and the countless opportunities to engage with faculty and in activities that will help you succeed.

CAREER-FOCUSED

One reason that Misericordia is so successful is that it provides students with an abundance of hands-on, realworld experience and preparation.

Get prepared for your future by conducting research and experiments, doing internships, and participating in clinical experiences and labs.

You will know what it is like to be out in the field as a professional and network with colleagues.

Misericordia first-year students ranked us significantly higher in providing a supportive environment than all other participating private institutions.

For example: 9 out of 10 first-year students agree that Misericordia provides support to help them succeed academically (2019 National Survey of Student Engagement (NSSE)).

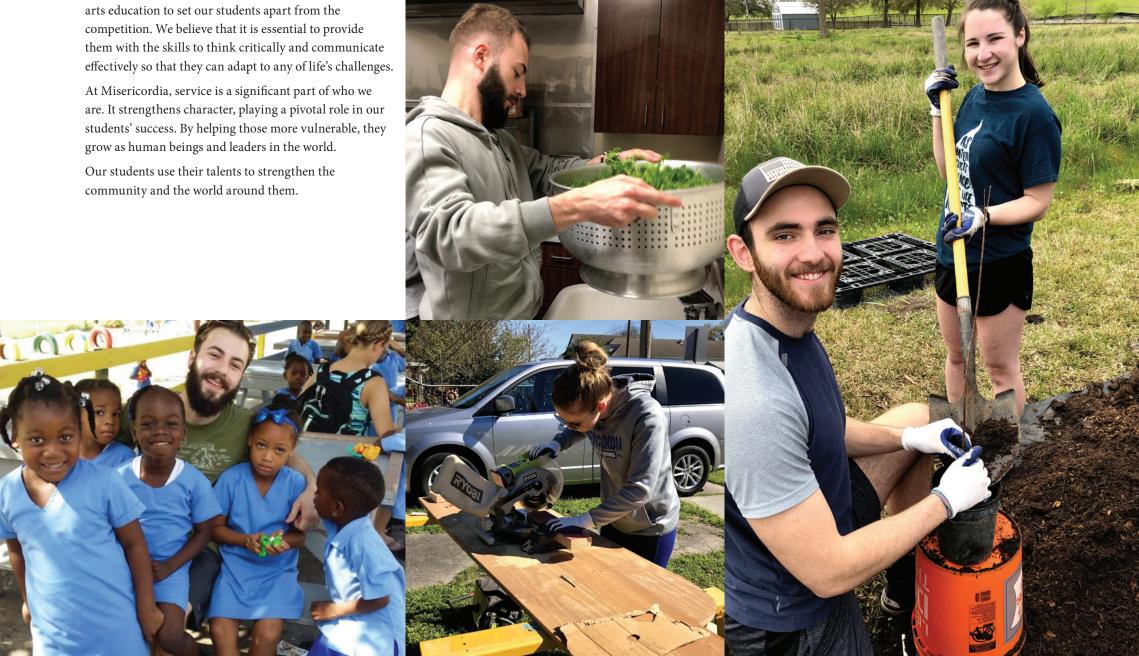

The Guaranteed Placement Program (GPP) is designed to prepare students looking to enter the workforce or graduate school after graduation and is facilitated through workshops and individual appointments.

The GPP offers students a paid internship in their field if they are not employed or in graduate school within six months of graduation (terms & conditions apply).

ADVENTURE & DISCOVERY

Misericordia is an excellent place to explore new opportunities and get involved on- and off-campus to grow personally and professionally. In fact, 86% of first-year students indicated that Misericordia provides opportunities to be involved socially as reported on the 2019 NSSE survey.

There are over 40 clubs and organizations available including the Student Outdoor Adventure & Recreation Program (SOAR); 25 NCAA DIII sports for men and women; and our latest addition, esports, a coed varsity activity! Students can become engaged and empowered through offices such as Campus Ministry that provides service opportunities on-campus and within the community, and the Office of Service Learning that enhances learning through service.

LEARN TO TRAVEL - TRAVEL TO LEARN Students can also Come Here - Go Anywhere with our Study Abroad/Away program currently located in Australia, England, Ireland, and Italy. Faculty-Led study programs and Campus Ministry international programs have also included destinations such as

VISION & INNOVATION

While remaining committed to our students by providing a highly-personalized education, Misericordia is also expanding research and learning opportunities and enhancing the campus experience for the next generation of students.

It is a campus that embraces the future while honoring its noble past. Great attention has been given to create the right balance of modern innovation along with the comforts of home so that you will enjoy your experience while achieving your goals. You will find that we are always improving to give you more, and around every corner is another reminder of our progress.

The new \$45 million Frank M. and Dorothea Henry Science Center will be the largest academic building on campus to be ready for the beginning of the fall, 2021 semester.

VALUE
