Complaints Policy & Procedure

Policy reviewed:	February 2020
Policy approval:	Reviewed by Policy Audit Committee February 2020 Approved by Full Governing Board March 2020
Date of next review:	February 2021

At Horris Hill, we care about the welfare, happiness and education of each child in our care. We aim to work together with parents and other carers to ensure that Horris Hill provides the best possible education. Occasionally, things might not be up to these high expectations and complainants have the right to complain. This document is intended to make the process easy to understand and implement.

A complaint will be treated as an expression of genuine dissatisfaction which needs a response.

We wish to ensure that:

- Any complainant wishing to make a complaint knows how to do so.
- This policy is available on the school website.
- We respond to complaints within a reasonable time and in a courteous and efficient manner.
- All complainants realise that we listen and take complaints seriously.
- We take action where appropriate.

Exclusions are not covered by this Complaints Policy and Procedure. Please refer to the school's Good Behaviour and Sanctions Policy.

This policy is available for parents of pupils and prospective pupils but only applies to current pupils unless the complaint was raised when they were pupils at the school.

Stage 1 – Informal Resolution

The first thing to do is to express your concern directly with the appropriate person. It may well be that the Tutor is able to deal with most matters; anything to do with music, Director of Music; anything to do with sport, Director of Sport; matters academic, either with the subject teacher concerned, or with Deputy Head (Academic); pastoral or boarding matters either with Housemaster concerned, Head of Boarding or the Headmaster's Wife; disciplinary matters with Deputy Headmaster. The important thing is that they will listen and take appropriate action. Complaints are very rare and almost every concern is resolved at this stage. Should the matter not be resolved within **10 standard working days**, then complainants will be entitled to proceed with their complaint in accordance with Stage 2 of this procedure.

If the complaint is against the Headmaster, parents should make their complaint directly to the Chairman of Governors identifying that they are seeking an informal resolution. Contact details for the Chairman of Governors are available from the School on request.

In the case that a complainant wishes to raise a complaint outside of normal school hours there is an emergency out of hours number listed on the school termly calendar. Hard copies of the calendar are

sent to all parents and the calendar is also accessible via the school's website. If a complaint is received in the school holidays we will attempt to meet the same time frames as for in school hours.

Stage 2 - Formal Resolution

If the complaint cannot be resolved on an informal basis, then the complainants should **put their complaint in writing** to the Headmaster, who will decide the necessary action. This may well involve a meeting with you, normally **within 10 standard working days** of receiving the complaint, to discuss the matter. If possible, a resolution will be reached at this stage. It may be necessary for the Headmaster to carry out further investigations. **Written records of all meetings and interviews, of the action taken by the school as a result of the complaint, whether it was upheld or not**, held in relation to the complaint will be kept by the Headmaster. Once the Headmaster is satisfied that, so far as is practicable, all of the relevant facts have been established, a decision will be made and communicated to you in writing. The Headmaster will also give reasons for his decision.

If the complaint is against the Headmaster, the complaint should be made in writing to the Chairman of Governors stating that a formal resolution is being sought. The Chairman of Governors or their nominee will call for a full report from the Headmaster and for all the relevant documents. The Chairman of Governors or their nominee may also call for a briefing from members of staff, and will in most cases, speak to or meet with the parents to discuss the matter further. Once the Chairman of Governors or their nominee is satisfied that, so far as is practicable, all of the relevant facts have been established, the parents will be informed of the decision in writing. The Chairman of Governors or their nominee will give reasons for his/her decision.

If you are still not satisfied with the decision, complainants should proceed as follows:

Stage 3 – Complaints Panel Hearing

If complainants seek to proceed with Stage 3 following a failure to reach an earlier resolution they should make a request to the Chairman of Governors in writing to convene a hearing of the Complaints Panel. Any supporting evidence which the parents wish to rely on should also be provided with their grounds of appeal. **The appeal will then be referred to the Complaints Panel for consideration.** The panel will consist of at least three persons not directly involved in the details of the complaint. The Governors will appoint the Panel members, one of whom will be independent of the management and running of the school. The Chairman, on behalf of the school, will then acknowledge the complaint (normally within 5 standard working days) and schedule a hearing to take place as soon as is practicable for the Panel to be convened. Normally, this will be **within 21 standard working days**.

If the Panel deems it necessary, it may require that further particulars of the complaint or any related matter be supplied in advance of the hearing or further investigation be carried out. Copies of such material will be supplied to all parties **not later than 5 standard working days** prior to the hearing. **Complainants may be accompanied to the hearing by one other person.** The Headmaster shall also be entitled to be accompanied to the hearing by one other person if they wish. Legal representation is not normally necessary. The Panel will decide whether it would be helpful for witnesses to attend.

If possible, the Panel will resolve the issue immediately without the need for further investigation. Where further investigation is required, the Panel will decide how it should be carried out. After due consideration of all relevant facts the Panel will make findings as to whether or not the Stage 2 decision was a reasonable one and accordingly decide whether to: dismiss the complaint(s) in whole or in part; Uphold the complaint(s) in whole or in part; and may make recommendations.

The Panel will write to the complainant(s) informing them of its decision and the reasons for it **within 21 standard working days** of the hearing (although additional time may be required if it is necessary to carry out further investigations following the hearing). The decision of the Panel will be final. A copy of the panel's findings with regard to the complaint and, if any, recommendations, will be sent in writing to the complainant(s), Headmaster, Chairman of Governors and where relevant, the person of whom the complaint was initially raised.

The copies of the findings and recommendations should be available for inspection on the school premises by the Proprietor (Governing Body) and Headmaster.

Timeframe for Dealing with Complaints

All complaints will be handled seriously, sensitively and within clear and reasonable timescales. It is in everyone's interest to resolve a complaint as speedily as possible. Please note that, for the purposes of this procedure, working days refers to weekdays (Monday to Friday) during term time, excluding bank holidays. This means that during School holidays it may take longer to resolve a complaint although the School will do what is reasonably practicable to avoid undue delay.

Recording complaints and use of personal data

A written record will be kept of all complaints that are made, and a) whether they are resolved following a formal procedure or have proceeded to a panel hearing; b) of the action taken by the school as a result of these complaints, regardless of whether they are upheld.

The School processes data in accordance with its Privacy Notice. When dealing with complaints the School (including any Panel member appointed under the Stage 3 process) may process a range of information, which is likely to include the following: Date when the issue was raised; name of parent and pupil; description of the issue; records of all the investigations (if appropriate); witness statements (if appropriate); name and contact details of member (s) of staff handling the issue at each stage; copies of all correspondence on the issue (including emails and records of phone conversations); notes and minutes of the hearing; and the Panel's written decision.

This may include 'special category personal data' (as further detailed in the School's Privacy Notice but potentially including, for information relating to physical and mental health) where this is necessary owing to the nature of the complaint. This data will be processed in accordance with the School's Privacy Notice and Data Protection Policy. The School will keep records of formal complaints and Complaints Panel hearings, as required by regulation. It will do so in accordance with its Privacy notice, Data Protection and Record of Retention Policies.

Correspondence, statements and records relating to individual complaints will be kept confidential except where the Secretary of State or a body conducting an inspection under section 108 or 109 of the 2008 Act requests access to them.

The number of complaints registered under the formal procedure during the preceding school year is available upon request.
