

La Salle High School
2019 – 2020
La Salle Parent Council (LPC)
Meeting Minutes

Thursday, December 5, 2020, 6:30 pm – 8:00 pm

1. **Attendance:** Aaron Marshall, Mike Roman, Terri Carrick, Kathleen Habedank, Julie Beck, Kisha Dosa, Ken Garbsch, Crystal Hayes, Lisa Muth, Tia Patterson, Mariellen Rehtin, Gina Reynolds
2. **Prayer**
3. **Principal Report:**
 - Building Renovation update: Phase I this summer includes updating the look of the building as it is seen from North Bend Road; AC on top & 2nd floors (not 1st floor b/c it will be completely redone). Goal is to have every student in AC classrooms for the 20-21 school year. Updating classroom furniture to flexible seating, and doing away with the big old fashioned teachers' desks because they are antiquated and no longer needed or beneficial to facilitating classrooms.
 - School calendar for the 20-21 school year is forthcoming; must be approved by the Archdiocese near the end of March...
 - GPA can be found on son's report card. Even though Power School says *GPA disabled*, this is evidently a "default" screen, as it has never been enabled.
 - Aaron addressed that yes, LSHS has encountered some challenges within the wrestling program. That being said, LSHS continues to focus on a comprehensive education; one that includes academics, sports, arts, etc.
 - Summer Internships through SOCHE Intern Academy; 8 La Salle alumni company owners; a dozen students have been ID'd to participate [Students completed a form on what they wanted to do after leaving LS. Counselors vetted student responses; they then interviewed students. The counselors then matched students with companies.] Pay is determined by the companies ~ (there is a SOCHE fee that the companies are responsible for; they would factor this in to their overall budget). The goal is for students to experience real world learning while being mentored by a LS alum and getting paid in the process.
 - Update on "food after school" – sales are up, and has been well-received by students.
 - Innovation Lab Update: getting ideas from Maker Space at Cincinnati Library, and Oak Hills HS. A group is being assembled to create a vision and devise a

- master schedule process to assign classes, etc. LPC member suggested utilizing college interns or La Salle alumni.
- Graduation 2020 is scheduled for Sunday, May 24 on campus in the evening. Mass, followed by graduation ceremony.
 - Enrollment: **goal**=freshman class: 140 students, \$950,000
actual: 134 students, \$1.034 million
