AMERICAN LEADERSHIP ACADEMY

COVID-19 7-12 Academic Plan

Beginning **March 30, 2020**, academic lessons for grades 7-12 will be available to students via **Google Classroom**. Lessons are aligned with Arizona State Standards and ALA-approved curriculum.

Next Steps for Parents and Students:

❏ Students will need access to a computer or tablet.
  ❏ **Don't have a computer or tablet?** *Please let us know!* Contact your campus's front office to borrow an ALA Chromebook and arrange pick-up. Please note, we have limited devices and we want to make sure these are available to those families that do not have access to an internet connected device at home.

❏ Locate your student's **ALA** email address and password:
    -Log in to your Infinite Campus Parent Portal
    -Click "More"
    -Click "Technology Access"
    -Student email and password will be displayed.

❏ Beginning March 27, teachers will send a link/classroom code along with instructions on how to log in to Google Classroom. **Invitations will be sent directly to your student's ALA email account.**
  ❏ **Didn't receive an invitation?** *No problem!* Please contact your student's teacher directly and he/she will resend the link/classroom code.

❏ Students will access Google Classroom using their Clever account.
  ❏ Login instructions can be found HERE.

❏ Establish a time of day and quiet place to work on assignments. Assignments will be given on Fridays by 5pm and due 10 days later on Monday before 8:30am. This allows for ample time for students to access throughout the week.

❏ Students should receive approximately one hour per class per week of student work. We are mindful of the time and resource constraints many families may have at this time.

❏ Teachers will provide feedback on completed assignments directly to students.

❏ Although grades will not be recorded/posted at this time, students are strongly encouraged to participate in daily lessons to the very best of their ability.

AMERICAN LEADERSHIP
ACADEMY

- ❏ Each week, one of your student's teachers will be checking in with your student by phone.

- ❏ Google Classroom Tech Support can be found HERE.
