Band Assignments

Good afternoon everyone!

We hope everyone is staying healthy! Both Middle and High School sent out a technology survey which shows us who does and does not have access to a computer/internet. That being said, those who do not have access will be able to pick up similar assignments in paper form at the Middle/High school each week. Below you will see how to access both websites we plan to use to complete assignments in band. We will be using SmartMusic throughout the program. We will also be using Flipgrid as a way to submit short videos. SmartMusic can only be used on an iPad or computer using Chrome. There is an app for Flipgrid and should work on every device. We will upload assignments to each website weekly. Please make sure to check BOTH websites weekly. Below you will find instructions on how to get access to both websites. Make sure you use the links and codes for YOUR band. I know a few of you left your instruments at the school. We are working to fix that but as for now you will not be able to participate in the playing assignment however, we plan to send out work that can be done without instruments. If there are any questions, please feel free to email myself (edw201@rcsd.ms) or Mr. Taylor (jay501@rcsd.ms).
