Create a magical character like Abdul Kazam. Draw a picture of your character thinking carefully about what they look like and then write a character description using lots of adjectives to describe.

Shadows are a theme in the story. Have a go at making your own hand shadow puppets using a torch. What animals can you make? Tell a story to go with your puppets.

Explore the flags of the four countries in the UK and their combined flag, the Union Jack and draw them. Then create your own flag for your house.

Listen to music from different countries around the world. What instruments can you hear? Which counties music did you enjoy the most?

Read a book and create a new front cover for the story. Then create a blurb to summarise what you have read. Remember to use as few words as possible and use the sentence stem 'The key idea is...'

Create a rhyme or rap using your spelling words to help you remember them. You could film yourself and send it to us via our social media platforms (remember to follow relevant policies).
