SUN CREAM APPLICATION PERMISSION

Dear Parents/Carers

Now the nice weather is here it is important to practice sun safety measures when your child attends nursery.

Children should have sun cream applied before they attend nursery however re-application of sun cream can be administered provided you give written consent and provide the nursery with the sun cream in a clearly labelled bottle.

Your child should also have a sun hat and water bottle with them every day.

If you would like the Nursery staff to apply sun cream please return the permission slip below.

Yours sincerely

Mrs Kelly Sharman

Lead Nursery Practitioner

I hereby give permission for staff at Little Learners Nursery to apply sun cream to my child
