- Complete enrollment paperwork and submit documents within two weeks.

"We are crew" is a sentiment and a belief that guides all of the work we do at Launch. As crew, we all share responsibility for the Launch community. Everyone on our crew- teachers, staff, students and families - has a voice and role to play in creating a joyful school where all children learn and achieve.

Crew certainly came to the forefront as we moved our school to a distance learning program just a couple weeks ago. Our entire community came together with energy, positive spirit, and compassion to support each other in taking this big step! We are pleased to report that student engagement is high and that teachers are building out great content and personalized support for each of our students.

Parents, guardians, students, siblings and other family members – welcome to the Crew. On behalf of all of the Launch staff, we are thrilled to begin our work with your family!

Please feel free to reach out with any questions.

Sincerely,
