TESTIMONIALS

"St. John's not only prepared me for the homework load, but also prepared me for the leap into high school."

-St. John's alumnus and current high school student

"After carefully and thoughtfully considering all options available in Orange County for our son's education, we chose St. John's Episcopal School. The School's combination of passionate and caring teachers, dedicated administrative and support staff, and forward thinking and highly skilled leadership produced a "Renaissance" experience for our son. Not only was he provided rigorous and engaging academics, but the school also encouraged him to develop his artistic side. St. John's was the best investment we could have made."
