## Health Professions

### Credit by Exam

- A student who has received prior instruction in a course or subject but failed the course or subject with a grade of **no less than 60** may be permitted by the District to earn credit by passing an examination on the essential knowledge and skills defined for the course or subject. To receive credit, a student must score at least 70 on the examination.
- The attendance review committee may also allow a student with excessive absences to receive credit for a course by passing an examination. However, a student may not use this examination to regain eligibility to participate in extracurricular activities.
- Credit by Exam/Credit by Acceleration are not part of the student's GPA calculation.
