From Mrs. Ashton

Dear Notre Dame Community,

As we Spring Forward towards the 3rd week of the 4th quarter, it is amazing to reflect on our journey during this Lenten Season. “For I know the plans I have for you. Plans to give you hope and a future.” – Jeremiah 29:11

Our hearts and prayers are with all affected by the Coronavirus disease (COVID-19). We are grateful to our community as we transitioned to Distance Learning, and appreciate your support. Notre Dame is an extension of all of our families, and we work to provide stability for our students during this ever-changing pandemic. As Easter break approaches, teachers and students will have an opportunity to recharge and plan for the final stretch of this semester. On Monday, April 20th, we will introduce Phase 2 of our Distance Learning Protocol. This 2nd phase will follow an adjusted schedule with a more flexible & independent assignment schedule.

Although our classroom environment has a new look, and our campus is now virtual, we are still a community. We will continue to celebrate and recognize our achievements through Schoology, Social Media, and via our website.

As we reach the end of March, I wanted to take a moment to recognize a few of our campus activities this month.

Mock Trial

Congratulations to our Mock Trial Team on making school history and earning 3rd in the Riverside County 2020 Mock Trial competition! This is the team’s third-year making it to the Elite 8 round and their first time in the semi-final round of competition! The talent showcased by this team is extraordinary! Special thanks to Ms. Trevino, our Mock Trial families and coaches Judge Erin Alexander, Judge Eric Keen, Daniel Favela, Melissa Hale, Kelly Moran, and Briana Ruiz (many of whom are ND alumni)! We are blessed to have a community that supports our co-curricular activities! It truly takes faculty, parents, students, and alumni to help students gain real-world experience and knowledge before they lead the next generation of Titans.

From Mrs. Ashton

Athletic Training

The month of March is National Athletic Training Month, and we want to take a moment to recognize our Athletic Trainer, Mr. Clinton White! The National Athletic Training Association's 2020 slogan is "ATs Impact Health Care Through Action." Our student trainers and athletes have greatly benefitted from Mr. White's knowledge and giving-spirit. From transforming our training room to traveling with teams and organizing events on campus, Mr. White and his AT students have genuinely made a positive impact at Notre Dame, and we are incredibly grateful for them all.

Spring Sports

Although our Spring season ended far too soon, it is an honor to be part of our athlete's lives. We pray they find comfort as their seasons ended before they even had the chance to begin and acknowledge their talent, dedication, and charism.

During our Lenten journey, our community enjoys the awakening of the season. We are devastated that our Living Stations of the Cross and Spring Musical The Addams Family are postponed until further notice. We acknowledge our Sophomore Peer Ministers, Theater Guild, and faculty/staff members for the countless hours they have devoted to these productions and pray we will be able to share them with the community soon.

Please continue to check our website for updates under the [COVID-19 tab](#), and sign up for alerts on our [News & Updates page](#).

Additional updates for the class of 2020 will be communicated soon.

We pray for our Notre Dame Community now and always.

Many Blessings,

RaeAnna Ashton

We're featuring *Titan Athletic Training* this month and thanking them for their dedication to Notre Dame! Under the direction of our Athletic Trainer, Mr. White, these caring Titans have completely reimaged our AT program! From thankful grams to athlete rehab, these Titans truly care about whole-person care. We are blessed to have Mr. White as our full time AT and thank him for caring about our ND athletes and students.
