03/18/2020 9:31 AM	A K	arun.kaariya@gmail.com	Findley Elem				Dear committee members, There has been a lot of talk abt FRL balance at Timberland vs rest of the district... It is a fact that no one can deny that these 2 schools do not have much low cost housing around. As a result the neighborhood houses are all high priced. Because the builders and county did not build low cost housing in the area of Timberland and Stoller, the FRL balance between Stoller and Timberland is impossible to achieve and equate to the FRL number of other schools in BSD. If Timberland FRL needs to be equated to other schools in neighborhood then Stoller FRL also needs to be equated to other BSD schools. Please be fair to all middle schools. Current FRL nos at Stoller are 10% and at Timberland are 12%(better than Stoller)...for rest of the district FRL are well above 27%... If we talk about equity across the district then district will spend a lot of money transporting kids from south to north for balancing the FRL which means many kids will not attend their neighborhood middle schools. Lastly if district does this for middle school then it will have to end up doing this for elementary and high school kids too resulting in transportation chaos around the district.
03/18/2020 9:35 AM	A K	arun.kaariya@gmail.com	Findley Elem				There has been a lot of talk abt FRL balance at Timberland and Stoller vs rest of the district... It is a fact that no one can deny that these 2 schools do not have much low cost housing around. As a result the neighborhood houses are all high priced. Because the builders and county did not build low cost housing in the area of Timberland and Stoller, the FRL balance between Stoller and Timberland is impossible to achieve and equate to the FRL number of other schools in BSD. Current FRL nos at Stoller are 10% and at Timberland are 12%(better than Stoller)...for rest of the district FRL are well above 27%... If we talk about equity across the district then district will spend a lot of money transporting kids from south to north for balancing the FRL which means almost all kids will not attend their neighborhood middle schools. Lastly if district does this for middle school then it will have to end up doing this for elementary and high school to maintain feeder patterns resulting in transportation chaos around the district. Thanks AK
03/18/2020 8:37 PM	Aminath Nazhath	nazu03@gmail.com	Rock Creek Elem	Stoller MS	Westview		Please keep Rock Creek at Stoller or if moved move us with Bethany and Oak Hills. Anything else, will impact Rock Creek extremely disproportionately and is not fair since we will be taking all the burden from this boundary process at least from schools currently at Stoller that either remain or go to the brand new Superschool
03/18/2020 8:48 PM	Andrew Moen	Andrew11395@gmail.com	Cooper Mountain Elem	Highland Park MS			We ask the committee to value the significant number of written comments posted in favor keeping Cooper Mountain feeding to Highland Park. Cooper Mountain parents in favor of maintaining the status quo were not selected to speak in the meetings so written comments are our only option. The majority of Cooper Mountain community wants to stay at Highland Park. Please reconsider your recommendation and revote. Keep Cooper Mountain feeding Highland Park.
03/18/2020 8:49 PM	Andrew Moen	Andrew11395@gmail.com	Cooper Mountain Elem	Highland Park MS			The committee approve an increase of the free and reduce lunch percentage at Whitford to 50% but somehow Mountain Views was not acceptable at 47%. The committee also acknowledged in the March 12th meeting, that free and reduce lunch was not a priority when developing boundaries for Timberland and Stoller. I ask the committee to be consistent in what factors they use to recommend the school boundaries. Reconsider your vote and keep Cooper Mountain feeding Highland Park.
03/18/2020 8:51 PM	Andrew Moen	Andrew11395@gmail.com	Cooper Mountain Elem	Highland Park MS			In the March 12th meeting, the committee discussed the feeder pattern for Cooper Mountain for 11 minutes. Just 11 minutes... Some committee members voiced that the change of free and reduced lunch numbers did not warrant the impact to greater than 70% of Cooper Mountain families and yet the committee voted for the change. Each member was not even required to speak and explain their position which Mr. Sparks has required before other middle school boundary votes. The process that took place on March 12th was not fair or equitable. Please reconsider and keep Cooper Mountain ES feeding to Highland Park MS.

03/18/2020 11:00 AM	Anil K Sreeramsetty	anilkumar246@yahoo.com	Oak Hills Elem			Dear Committee,1. There's a clear misunderstanding as to where Barnes ES kids will be attending High School due to their Dual Language Program. If they enter the DL program, their families make a contractual agreement to attend through 12th grade which would lead them to Beaverton High School. Anyone that opts out of this program at Barnes ES is then assigned to William Walker which feeds to Cedar Park and then BHS. With this in mind, Barnes cannot be considered a clear feeder to SHS. This is why Oak Hills East should attend middle school with Terra Linda and West Oak Hills should attend middle school with Bethany to stay in line with Objective 4 which is to establish clear feeders.2. Barnes Dual Language students are not part of the Sunset feeding community. Barnes will soon be 100% Dual Language and their kids are in separate classes in middle school. It's not that we're snooty, it's that we just don't know them. Their kids are kept completely separate. BSD has created this program and this division, it has nothing to do with the Oak Hills kids not socializing with them. Just like they have done with Summa, the district needs to quantify the number of dual language students and remove their numbers from the Sunset-feeding numbers. 4. As Oak Hills East identifies with the Cedar Mill community, it would be best to attend Timberland for middle school. As Oak Hills West identifies with the Westview community, they should remain at Westview and attend middle school with Bethany. 4. By establishing clean feeders it also supports walkability to our respective high schools. All of Oak Hills East is included in the 2 mile walkability radius of Sunset. Part of Oak Hills West lies within the 2 mile walkability radius of Westview. If Westview truly needs to unload students, please move students from schools that are already being bussed in order to save the precious transportation dollars of BSD. For example, to increase the number of Sunset-feeding kids at Stoller, all of Jacob Wismer should attend Sunset. 5. We have had several Town Hall meetings (some attended by school board members) in our homes, the school, and the community center of Oak Hills. We are united in our message to split before middle school. One dissenting voice with no affected child at a school board meeting does not represent our unified recommendation. 6. Oak Hills does not want to become the "fix-it" school to help FRL numbers at any one school. BSD has the responsibility to end the isolation of Oak Hills East kids and create a clear feeder to Sunset in this process. 7. Oak Hills East is a neglected pocket of the district. We don't have a loud voice like other schools in the North, and we're not enough kids to be really concerned aboutaccording to statements that have been made by district personnel. Please assign Oak Hills Sunset Bound Students to Timberland along with Terralinda community.Thanks,Anil
03/18/2020 10:54 AM	april c ervin	aprilhomestar@gmail.com	Cooper Mountain Elem	Highland Park MS	Mountainside	Hello,My kids go to Cooper Mountain elementary. Cooper Mountain has not been heard at all, I've been to the meetings and we barely have but minutes to talk for the entire 2 hours and 30 min. The only 2 speakers who were randomly selected, which I have to say I do not believe it was random and I'm not alone. Those speakers do not share the 99% of parents that want our kids to go to highland Park. The hardship this will do to our community and kids are unspeakable. We are sick about this. My family moved to our neighborhood for the schools. I speak for 99% of Cooper Mountain families. If you want your kid to go to a different school, then move in the district like the rest of us! Thanks April Ervin
03/18/2020 11:07 PM	arun	arun_koroth@yahoo.com	Springville K-8	Stoller MS	Westview	PLEASE Do not split Springville from its community. In the March 12th Workmap, Springville is the SMALLEST SCHOOL feeding into Stoller. It will be devastating if that gets split further.Springville brings economic diversity to Stoller. Removing it from Stoller will only make Stoller thewealthiest middle school in entire BSD. There is no justification for this considering the correctedprojections which shows that Springville is not growing exponentially.
03/18/2020 11:10 PM	arun	arun_koroth@yahoo.com	Springville K-8	Stoller MS	Westview	Thank you so much for hearing our concerns and reviewing the 2025 enrollment projection numbers in Springville. With this workmap, Stoller 2021 is now at 84% and 2025 is at 101%..Once you remove the Summa numbers, Stoller is at 84% of permanent capacity in 2021 and 101% of permanent capacity in 2025 after which population stabilizes and falls again.There was one amendment considered in which Springville is split with South of Brugger road sent to Five Oaks. Please DON'T SPLIT our community and Elementary school. Keep all Springville at our ONLY middle school option, Stoller, especially since the projections have been lowered to show more realistic numbers for our established Springville community. It also puts FIVE OAKS OVERCAPACITY AT 113%. There are no portables at Five Oaks for this overcrowded situation, too.Thank you for prioritizing regular students over the SUMMA program. Yes, Summa should not be part of this committee's discussion as it is Teaching and Learning's decision on where to locate it.
03/18/2020 11:09 PM	asidhu	sidhu.arun@comcast.net	Springville K-8	Stoller MS	Westview	March 12 working map makes Stoller 2021at 84% and 2025 is at 101%.There was one amendment considered in which Springville is split with South of Brugger road sent to Five Oaks. Please DON'T SPLIT our community and Elementary school. Keep all Springville at our ONLY middle school option, Stoller, especially since the projections have been lowered to show more realistic numbers for our established Springville community. It also puts FIVE OAKS OVERCAPACITY AT 113%. There are no portables at Five Oaks for this overcrowded situation, too.Please dont split communities. The entire Springville needs to go to Stoller. Also give preference to regular prohrms over SUMMA at Stoller.
03/18/2020 11:11 PM	avarsha	a.varsha26@yahoo.com	Springville K-8	Stoller MS	Westview	Please keep the Mar12th workmap as is for Stoller. Any splits to Springville will reduce the FRL by 30%at Stoller which already has one of the lowest rates because of its location. Please give preference to regular programs over SUMMA at Stoller.

3.18.20 MS BOUNDARY PUBLIC COMMENTS

03/18/2020 9:15 PM	Baoyan Liang	Liang.b.y1974@gmail.com	Rock Creek Elem	Stoller MS	Westview		Please keep Rock Creek north of West Union at Stoller in accordance with map C2.0. We are closer to Stoller than many parts of Springville or Sato.Any part of Rock Creek that moves must move with Bethany and Oak Hills wherever they go (I prefer Meadow, but could be anywhere).Please don't put any additional burden beyond options above on us since we are doing our share already whereas everybody at Stoller either stays or is relocated to another superschool (Timberland).
03/18/2020 11:40 PM	Brent	echolynch@hotmail.com	Cooper Mountain Elem	Highland Park MS	Mountainside		Hello, it appears that there is a movement to CHANGE the current feeder for Cooper Mountain to middle schools by changing ALL Cooper Mountain feeding into Mountain View. This is not an acceptable solution to the families at Cooper Mountain. Families made decisions based on the schools and feeder patterns, including purchasing homes etc. I continue to be VERY concerned that the main impetus for a proposal to feed CM to Mountain View is reducing the number of free and reduced lunch. Again, this is disruption of students lives to achieve some district goal of artificially manipulating the percentage of free and reduced lunch. This is NOT in the students best interest. I strongly advocate for maintaining the status quo of Cooper Mountain feeding into Highland Park and Mountain View. Thank you.
03/18/2020 11:52 PM	David Lee	ralliant_kei@hotmail.com	Springville K-8	Stoller MS	Westview	Springville K-8	When governor Kate Brown signed executive order to reduce bus emission, I am sure she meant whole district as a whole. And the only way to meet that goal is to keep Springville at Stoller because it is furthest away from any other school like Five Oak and Meadow Park. Busing Springville to Five Oak is against all the objective BSD has stood for such as reduce emission, making school safe, filling Timberland to reduce overcrowding at Stoller. Mar12 work map meets all the objectives, student body from Springville Sato and JW is diversified, it's the least disruptive to Bethany community, it meets 2021 and 2025 projection that researchers at PSU works so hard to projecting based on historic data, land permit issued and their very best academic guesses. It's not uncommon for Findley walkers to go to Timberland in fact Timberland will clearly be the next best school with most technological advanced and seismic proof. When I was small I lived in my parents home where I can see an elementary school out of my window across the street but the very street happens to be a school boundary and I was sent to a school 5 blocks away. This is very comment in grid type of city where not every school sits at the perfect Centre of their boundary. Bottom line is Springville Sato and JW is sustainable and it basically make sure large percentage of student body at current Stoller will be unaffected which should be a great joy for Bethany as a community. Findley is blessed with Timberland while Rock Creek joins talented Summa and bright engineering students at Meadow Park. This is the only way to keep students closest to their neighborhood school to reduce bus emission.
03/18/2020 2:05 PM	Dmitry Lukiyanchenko	dmitry.lukiyanchenko@gmail.com	Cooper Mountain Elem				Hello,I'm raising the concern for the potential changes to Cooper Mountain students.Many of them have older siblings/cousins that already go to Highland Park MS and looking forward to join them there.Is this change really necessary? Will you please address this issue at the meeting on April 2nd and allow parents of the Cooper Mountain students participate? (online or at least collect the feedback via these messages to you).Thanks,Dmitry
03/18/2020 9:20 PM	Ehoy Lawless Lewerenz	lawlesse1@hotmail.com	Rock Creek Elem	Stoller MS	Westview		Please keep Rock Creek north of West Union at Stoller in accordance with map C2.0. We are closer to Stoller than many parts of Springville or Sato.Any part of Rock Creek that moves must move with Bethany and Oak Hills wherever they go (I prefer Meadow, but could be anywhere).Please don't put any additional burden beyond options above on us since we are doing our share already whereas everybody at Stoller either stays or is relocated to another superschool (Timberland).
03/18/2020 1:22 PM	Eric X Yang	ericxyang2018@gmail.com	Springville K-8				The economy is clearly entering the recession. We need to reassess the 2025 enrollment projection. the 2025 enrollment may even lower than 2021 considering the housing related stocks already dropped more than 50%. It is very difficult to use the current 2025 projection data to make any decisions, and we should mainly focus on 2021 enrollment.
03/18/2020 8:44 PM	Gregory Lawless	lawlessgf@hotmail.com	Rock Creek Elem	Stoller MS	Westview		Please keep Rock Creek north of West Union at Stoller in accordance with map C2.0. We are closer to Stoller than many parts of Springville or Sato.Any part of Rock Creek that moves must move with Bethany and Oak Hills wherever they go (I prefer Meadow, but could be anywhere).Please don't put any additional burden beyond options above on us since we are doing our share already whereas everybody at Stoller either stays or is relocated to another superschool (Timberland).
03/18/2020 9:16 PM	Haoquan Zhang	Liang.b.y1974@gmail.com	Rock Creek Elem	Stoller MS	Westview		Please keep Rock Creek north of West Union at Stoller in accordance with map C2.0. 3.18.20 MS BOUNDARY PUBLIC COMMENTS

03/18/2020 11:31 AM	Harris Mohammad	emailhbm@gmail.com	Cooper Mountain Elem	Highland Park MS	Mountainside	The objectives of the committee should remain focused on alleviating capacity at the schools that need to be adjusted. The committee should not disrupt the southern schools without a strong reason or a potential future event that requires a bond measure approval. Please revert the decision to move all of Cooper Mountain to MountainView MS.
03/18/2020 7:54 PM	Heather Clement	heather.mcclement@gmail.com	Oak Hills Elem	Meadow Park MS	Westview	Please do not isolate the kids from Oak Hills Elementary by sending them to Meadow Park without another northern school. They would feed into Sunset or Westview alone. In the case of the west side of Oak Hills boundaries, a neighborhood would be split. Please send west side Oak Hills to Five Oaks and East side to Timberland.
03/18/2020 9:45 PM	Jason Salazar	J_s79@yahoo.com		Highland Park MS	Mountainside	My family and I are new to area so we are not familiar with Beaverton School District. We did not attend any meeting but we watched March 12 on youtube and looked at the papers in the website. I hope I am not misinterpreting what is happening, but is the committee recommending using middle class kids to inflate the test scores of a poorly performing school? When we moved here we have to pay twice the property tax we paid before. Now I am questioning where money is going. Spending \$50,000 on transportation, when I understand that Chehalis West students can REALLY WALK to Mountain View, is mismanagement of well earned money.
03/18/2020 12:25 PM	Jeff Grunes	jeffgrunes@aol.com	Cooper Mountain Elem			Please restore Cooper Mountain's feeder patterns. The majority of students/parents do NOT want any change and want to continue feeding to Highland Park. We cannot afford the increase of \$50k in transportation cost, nor as a society can we afford the climate cost of having Chehalis students take a bus, when they could walk to Mountain View. The latest vote makes NO sense - please revert it. In terms of equity, there is so much more that we could be doing - a PTO tax or investment in the Common Middle School Experience, Summer programs, or even outreach programs RIGHT NOW where a lot of families won't have resources to help keep learning going and students will suffer a summer slide; while we are all home in isolation.
03/18/2020 8:06 PM	Jennifer Hoffman	krh0923@msn.com	Cooper Mountain Elem	Highland Park MS	Mountainside	Hello Committee Members- I hope you are all well and staying healthy! Please don't make big changes to the boundaries in the south. Please keep the boundary for Cooper Mountain status quo. The majority of Cooper Mountain kids go on to Highland, please let them continue. One of the goals of this process is only to make minor adjustments. Thank you for your time and effort.
03/18/2020 8:17 PM	Jennifer Hoffman	krh0923@msn.com	Cooper Mountain Elem	Highland Park MS	Mountainside	Please continue to have Cooper Mountain feed to Highland, as changing the boundary would disrupt 80% of the families at Cooper Mountain. There are other ways of trying to create equity if that is an objective without disrupting so many families. I've read through the district's Student Success Act plan and how it plans to use the money and it seems that so much of it will help with equity. Also, the Middle School Common Experience will also have a direct and positive effect for all. Thank you for all your work, especially during these extremely stressful and scary times.
03/18/2020 2:43 PM	Jeremy Johnson	doublej13@att.net	Rock Creek Elem			Keep Rock Creek with at least two of our northern neighbors. Our kids deserve the same consideration as the other northern schools!
03/18/2020 11:05 PM	jithin	jrathod81@gmail.com	Springville K-8	Stoller MS	Westview	In the last meeting, a committee member had a great suggestion to make Meadow Park a hub for Summa. I think that numbers will work out. Here are the specifics: Approve amendment #2 as found on March 12th memorandum. but with changes below. (a) Send the 83 Aloha High school feeding kids of Elmonica and McKinley to Five Oaks. This will reduce Meadow Park FRL. Five Oaks FRL will not be over 50% due to Rock Creek, Bethany, and West Oak Hills. This adds unused spots at Meadow Park to a total of 210. (b) Suggest Teaching and Learning to make Meadow Park the SUMMA hub for Five Oaks, Meadow Park, Cedar Park, and Stoller. The addition of 172 Stoller SUMMA kids decrease FRL rate. The estimated FRL at both Five Oaks and Meadow Park is just under 40%.
03/18/2020 11:05 PM	jithin	jrathod81@gmail.com	Springville K-8	Stoller MS	Westview	The only middle school which is closer to Springville is Stoller. Springville brings economic diversity to Stoller. Any combination without Springville at Stoller will result in a significant drop the FRL to 7% which will be hard to fix in this area given the demographics. The numbers work well keeping Springville, Sato and Jacob Wismer in Stoller at LESS THAN 90% in 2021 and 101% in 2025. Once you remove the Summa numbers, Stoller is at 84% of permanent capacity in 2021 and 101% of permanent capacity in 2025 after which population stabilizes and falls again.

3.18.20 MS BOUNDARY PUBLIC COMMENTS

03/18/2020 3:09 PM	Katie Lang	kshae8@yahoo.com	Cooper Mountain Elem				I would like to request that the committee move a discussion in regards to the Cooper Mountain elementary HP/MV middle school swap with Chehalem to the top of an agenda for once. The committee has made decisions with little time or consideration compared to all the schools north of 26. SUMMA has been discussed numerous times at length, but in about 10 minutes the committee voted to swap over 600 kids with no discussion around cost (\$50,000), walkability (it appears all of Chehalem will have to be bussed out) or the impact of having children start at one school and swapping to the other one between 6th and 7th grade. BSD does not have an overflow of cash and decisions like this seem irresponsible without any discussion. Also, the voting members seemed very confused, a few stated they were uncomfortable with that change and that it did not make sense and then voted for that map. Given there was very little time to address this issue, I hope the committee revisits this and has some appropriate discussions around community input. Please give Cooper Mt and Chehalem the same respect you have give the other communities. Our kids are not game pieces you can just move around without considering the consequences.
03/18/2020 9:17 PM	Kexin Zhang	484888@bsd48.org	Rock Creek Elem	Stoller MS	Westview		Please keep Rock Creek north of West Union at Stoller in accordance with map C2.0. We are closer to Stoller than many parts of Springville or Sato.Any part of Rock Creek that moves must move with Bethany and Oak Hills wherever they go (I prefer Meadow, but could be anywhere).Please don't put any additional burden beyond options above on us since we are doing our share already whereas everybody at Stoller either stays or is relocated to another superschool (Timberland).
03/18/2020 9:08 PM	Khamouane Lawless	lawlessgf@hotmail.com	Rock Creek Elem	Stoller MS	Westview		Please keep Rock Creek north of West Union at Stoller in accordance with map C2.0. We are closer to Stoller than many parts of Springville or Sato.Any part of Rock Creek that moves must move with Bethany and Oak Hills wherever they go (I prefer Meadow, but could be anywhere).Please don't put any additional burden beyond options above on us since we are doing our share already whereas everybody at Stoller either stays or is relocated to another superschool (Timberland).
03/18/2020 5:36 PM	Kim	andrewandkim@comcast.net	Cooper Mountain Elem	Highland Park MS	Mountainside		Please review the objectives for this process. No change is needed for Highland Park Middle School from the 3/12 map to support any of these objectives. Swapping one elementary school for another is not a minor change, and is not a needed change to accommodate the new boundaries at Timberland or Stoller. Keep Cooper Mountain feeding to Highland Park.
03/18/2020 10:21 AM	Kim Douglas	mrsksdouglas@gmail.com	Oak Hills Elem				Good morning - First I would like to ask if it is at all possible to postpone the middle school boundary committee and its decision in light of the chaos going on around us. Perhaps this is already being considered. It just feels like a lot of added stress for a lot of people ... just a thought.As far as my thoughts on the boundaries and the adjustments. I have one thought and I am going to keep this simple. Please, please, please stick with the decision made two meetings ago and keep Oak Hills East with Terra Linda at Timberland/Sunset and keep Oak Hills West with Bethany at whatever middle school works and then on to Westview together. I think many people are complicating this matter with lots of other personal preferences and issues, but what it boils down to is this. We want our kids to go to middle school with a group of kids that they will feed to high school with. That's not the case under the current boundary and this is our opportunity to remedy that situation and simplify. Let's take it and let's do what is best for these kids!Thank you.
03/18/2020 5:24 PM	Kim M.	andrewandkim@comcast.net	Cooper Mountain Elem	Highland Park MS	Mountainside		Throughout this whole process, I have listened for hours to the committee discuss ideas and opinions, as well as review data from the district and community when creating boundaries for Stoller and Timberland. It is so disappointing to then hear the committee provide approximately 10 minutes of discussion to make a significant change at Cooper Mountain Elementary, even when the majority of the committee member's comments were against the change. Please provide our community the same respect as others to review the data. In several previous meetings, Ms. Sparks called upon the less vocal committee members to ensure their opinions were being heard, however the discussion around Cooper Mountain did not receive this same process. If a decision cannot be made allowing sufficient time and input for the discussion, please don't make significant changes. Keep Cooper Mountain feeding to Highland Park Middle School.
03/18/2020 5:30 PM	Kim Moen	kim.moen@yahoo.com	Cooper Mountain Elem	Highland Park MS	Mountainside		At the last meeting, the committee voted to send Cooper Mountain Elementary to Mountain View in a swap with Chehalem going to Highland Park. According to the data provided, this reduces Mountain View's free and reduced lunch percentage by a very small number that is likely within the noise of variability seen over time. Furthermore, this full percentage of reduction will likely not be realized as students attend option schools or possibly options outside of BSD. The amount of disruption to two whole communities, the increased cost required for additional transportation, and impact to existing feeder patters does not substantiate this small change in free and reduced lunch percentage when Mountain View is already below other schools in the district. Please consider all of the facts and keep Cooper Mountain at Highland Park.

3.18.20 MS BOUNDARY PUBLIC COMMENTS

03/18/2020 10:26 AM	Krissy	Krissy333@gmail.com	Cooper Mountain Elem	Highland Park MS			I am a parent of 2 Cooper Mountain kids and a Highland Park student. I[?]ve attended boundary meetings and we weren[?]t represented appropriately at these meetings. The discussions surrounded north side schools and minimally discussed south side. The meetings I attended focused 95% on north side and we had submitted our options online. There has been inaccurate representation of our schools and our opinions. This will eventually effect high school boundaries. The current plan of splitting kids from Cooper Mountain has worked over the years and no need for change. Again, I am disappointed that some of us didn[?]t get the opportunity to voice our concerns.
03/18/2020 10:06 AM	Liheng Liu	lihengliu001@gmail.com	Jacob Wismer Elem	Stoller MS			I propose to feed all Jacob Wismer ES to Westview high school. Jacob Wismer ES's high school feeding pattern is very strange. Jacob Wismer kids mixed with Findley kids in Stoller MD, and will be split to Sunset HS and Westview HS. Under current boundary-change maps, after Findley moved to Timberland, Jacob Wismer kids will still be split to Sunset HS and Westview HS. It is the right time to make a change.Again, busing hundreds of SUMMA kids to leave their walk distance Stoller MS is not acceptable. Why do we split our community and fight against each other for months, just to PREVENT the NOT-BUILT-OUT new constructions/current empty lots from being "split out"? The not-sold-out empty lots have not joined the community yet. Why split us to prevent someone who has not joined "in" from being split "out" ? Why buses hundreds of SUMMA kids to leave their walk distance Stoller MS ? and buses different ES kids moving around and make every kids' time wasted ? If we inevitably have to put on so many bus budget, we should keep our current community together and bus the future constructions (current empty lots) to Five Oaks and put more resource to make Five Oaks a better middle school. This is not unfair for future residents in future new constructions. Because they are going to buy the fact, just like our current community residents did.
03/18/2020 9:09 PM	Mary Lynn Klafka	pdxthree@comcast.net	Rock Creek Elem	Stoller MS	Westview		Please keep Rock Creek north of West Union at Stoller in accordance with map C2.0. We are closer to Stoller than many parts of Springville or Sato.Any part of Rock Creek that moves must move with Bethany and Oak Hills wherever they go (I prefer Meadow, but could be anywhere).Please don[?]t put any additional burden beyond options above on us since we are doing our share already whereas everybody at Stoller either stays or is relocated to another superschool (Timberland).
03/18/2020 2:53 PM	Meenakshi Dewan	meenakshi_dara@yahoo.com	Jacob Wismer Elem	Stoller MS	Sunset		Dear Committee Members,Please keep Jacob Wismer together! Please don[?]t move Summa to TL!! Moving in Walking Findley will be possible only if part of SPV is moved out!! Moving Walking Findley into JW will make it overcrowded!! Please don[?]t do any other changes to the map to make the feeder pattern worse and bus the walkable JW summa.. ThanksStay safe!
03/18/2020 12:57 AM	Min Pan-Lee	minni_pan@hotmail.com	Springville K-8	Stoller MS	Westview		All members, thank you for voting for Stoller to have Sato, Springville and Jacob Wismer. This is great solution for Stoller which is with 84% permanent capacity in 2021 and 101% permanent capacity in 2025. The most important thing is that Timberland is fully used. If you have been in Timberland for a second, you will think it is guilty to waste such a beautiful school if it is not being fully used.
03/18/2020 1:17 PM	Nancy Collett	nancy@norwesters.net	Cooper Mountain Elem				I encourage committee members to look at the materials provided before the last meeting. In that it shows the school reduced and free lunch percentage changes for both Highland Park Middle School in Mountain View Middle School by not changing very much with the change of Chehalem and Cooper Mountain switching Middle schools. It also says the change of moving Chehalem to Highland Park and Cooper Mountain to Mountain View will increase busing cost by \$50,000 a year. I can think of a lot better things to use \$50,000 a year for in our school system. And the change of the schools does not make that significant of a difference in reducing your changing free and reduced lunch is in both middle schools. Please keep Cooper Mountain status quo, with the walkable portion of Cooper Mountain attending Mountain View in the remainder attending Highland Park. Thank you.
03/18/2020 9:12 PM	Olesya Baykalova	olesyabaykal@gmail.com	Rock Creek Elem	Stoller MS	Westview		Please keep Rock Creek north of West Union at Stoller in accordance with map C2.0. We are closer to Stoller than many parts of Springville or Sato.Any part of Rock Creek that moves must move with Bethany and Oak Hills wherever they go (I prefer Meadow, but could be anywhere).Please don[?]t put any additional burden beyond options above on us since we are doing our share already whereas everybody at Stoller either stays or is relocated to another superschool (Timberland).
03/18/2020 9:19 PM	Paul Lewerenz	Paul.lewerenz@oregonfirst.com	Rock Creek Elem	Stoller MS	Westview		Please keep Rock Creek north of West Union at Stoller in accordance with map C2.0. 3.18.20 MS BOUNDARY PUBLIC COMMENTS

03/18/2020 9:32 PM	quan shi	ninghe97006@yahoo.com	Findley Elem	Stoller MS	Sunset	Dear Steven Sparks, Thank you and committee very much for your hard work and effort! I am Oakridge parent and I requested to have Stoller as option MS school for our kids for the latest map(3/12).1.This map makes Oakridge community THE ONLY neighborhood not attending its neighborhood middle school in Beaverton School District! 2.SPV argued for 6+ more mins travel time btw Stoller & Five Oaks. But our kids need to travel from 5 mins walk to 27 mins bus drive. We are not asking for special treatment. We ask for equal right. 3.This map allowed 400+ SPV kids to Stoller but NOT allow our 60 kids to Stoller that is just on the other side of the street. If we can make Stoller as option school, this will bring down to less kids then projected and solve the capacity and distance. 4.Also busing kids instead of walking will increase the cost of school budget. Also increase the safety issue outside our neighborhood Thanks again!A stoller parent
03/18/2020 9:11 PM	Richard Klafka	pdxthree@comcast.net	Rock Creek Elem	Stoller MS	Westview	Please keep Rock Creek north of West Union at Stoller in accordance with map C2.0. We are closer to Stoller than many parts of Springville or Sato.Any part of Rock Creek that moves must move with Bethany and Oak Hills wherever they go (I prefer Meadow, but could be anywhere).Please don[?]t put any additional burden beyond options above on us since we are doing our share already whereas everybody at Stoller either stays or is relocated to another superschool (Timberland).
03/18/2020 12:00 PM	Sarah Imbrie	sarahimbrie@comcast.net	Cooper Mountain Elem		Mountainside ISB	LEAVE COOPER MOUNTAIN BOUNDARIES UNCHANGED! First of all, I am offended by the comments from the committee that Cooper Mountain Elementary has not been a voice in this process. As soon as our school learned of the potential impacts to our boundaries, many comments have been submitted; the overwhelming majority of these comments asked to NOT change our boundaries. Secondly, not every parent has the capacity to enter daily comments; my current focus as an RN is on the pandemic, not on submitting daily comments. This does not mean that I don't want to voice my opinion, but means that I simply don't have the time to comment as frequently as others may be able to do. Third, with the current global pandemic, it seems inappropriate to rush into a boundary decision, especially considering that a drastic change was proposed to Cooper Mountain at a meeting without community input (other than this forum). Finally, equity was not a stated objective of this committee, why did the board feel it appropriate to add equity/free and reduced lunch ratios as criteria for change? IT IS INAPPROPRIATE TO USE THIS CRITERIA AS IT WAS NOT AN OBJECTIVE. Additionally, the added transportation expense of having all of Cooper Mountain attend Mountain View MS was not addressed. With the budget shortfalls of last year, adding transportation expenses is also inappropriate at this time. SO MUCH TIME was given to comments from the North; making a change this large to one south school should warrant equal time and consideration. The committee needs to reign in personal objectives and stick to the original identified objectives. COOPER MOUNTAIN BOUNDARIES SHOULD REMAIN UNCHANGED.
03/18/2020 6:19 PM	Sharon Zell	Sharonzell@yahoo.com	Rock Creek Elem	Stoller MS	Westview	I understand the disruption in the process. I am urging the committee to keep moving forward, when they are able, with the boundary they agreed to during the last meeting, to make Five Oaks a Westview feeding MS, and to keeping the three small northern schools of Bethany, Rock Creek and the Westview feeding Oak Hills students together. Each northern school deserves a northern neighbor if they must move to a school outside of our geographical area, and these two and a half small schools should stay together. Thank you.
03/18/2020 11:08 PM	sidharth	siddharth.arun11@gmail.com	Springville K-8	Stoller MS	Westview	SUPPORT MAR12 working map. DONOT SPLIT COMMUNITIESWith the revised projections, the Mar12th workmap seems perfectly balanced. Please let teaching and learning make Summa decisions and focus on moving this map forward for regular education. This is the best map to-date.. Please dont split communities. The entire Springville needs to go to Stoller. Also give preference to regular programs over SUMMA at Stoller.Springville brings economic diversity to Stoller. Removing it from Stoller will only make Stoller thewealthiest middle school in entire BSD. There is no justification for this considering the correctedprojections which shows that Springville is not growing exponentially.Springville brings economic diversity to Stoller. Removing it from Stoller will only make Stoller thewealthiest middle school in entire BSD. There is no justification for this considering the correctedprojections which shows that Springville is not growing exponentially.So please don't split Springville. Entire Springville should feed into Stoller.
03/18/2020 3:48 PM	Sridevi	sridevi.gullipalli@gmail.com	Springville K-8	Stoller MS	Westview	Thank you for the committee members, Steven and rest of the staff who all attended 3/12 meeting, team spent looooot of extra time to confirm lot of things, we really really appreciate all of that hard work, it shows the commitment you all have towards doing something right, we respect you all for that. After seeing all these proceedings that have been developing in last 1 week in regards to Covid-19, I feel grateful that you guys were able to make lot of progress and to confirm majority of things on last meeting. Thank you again for hearing Springville parents and deciding to keep us at Stoller with our neighbors and in North Bethany Community, it means a lot for us. Please be safe and take care.

3.18.20 MS BOUNDARY PUBLIC COMMENTS

03/18/2020 4:35 PM	Stephanie Roitstein	stephanie12@comcast.net	Cooper Mountain Elem	Highland Park MS	Mountainside	I understand the Committees planned objectives have been to adjust Stoller, fill Timberland and if [?]needed[?]...recommend MINOR adjustments to elementary boundaries. •How is moving 70% of the Cooper Mountain to Mountain View MINOR? •Cooper Mountains existing boundary clearly aligns to Highland Park then onto Mountainside HS. •The talk about moving all of Cooper mountain to Mountain View to reduce the FRL (only by 6%) sounds political. By increasing the students wouldn't the same kids need FRL? Then add more kids to the FRL number? Something seems off here?•BSD is OK with a transportation expense of \$50,000.•For BSD to be influenced by not one but two individuals that spoke on behalf of Cooper Mountain sharing their perspective on top of admitting that it was not the majority opinion, the committee was swayed into pushing us all to Mountain View. WE are present...the comments speak volume and I hope the committee will take that very important fact into consideration. There is a strong community advocating to leave the Cooper Mountain alone -70% Highland Park and 30% Mountain View. Stay healthy all!
03/18/2020 9:46 PM	Steve Clement	stevenclement@yahoo.com	Oak Hills Elem	Meadow Park MS	Westview	As a parent of children who attend Oak Hills, Meadow Park and Westview, I strongly support the view of most in our community who want to end the isolation of Oak Hills students during the difficult transition from middle school to high school. As such, we ask that you please send east side of Oak Hills to Timberland with Terra Linda so they can attend Sunset together and keep Oak Hills west with Bethany Elementary so they can attend Westview together.
03/18/2020 11:00 AM	Subhashini Sreeramsetty	s_subhashini123@yahoo.com	Oak Hills Elem			Dear Committee,1. There's a clear misunderstanding as to where Barnes ES kids will be attending High School due to their Dual Language Program. If they enter the DL program, their families make a contractual agreement to attend through 12th grade which would lead them to Beaverton High School. Anyone that opts out of this program at Barnes ES is then assigned to William Walker which feeds to Cedar Park and then BHS. With this in mind, Barnes cannot be considered a clear feeder to SHS. This is why Oak Hills East should attend middle school with Terra Linda and West Oak Hills should attend middle school with Bethany to stay in line with Objective 4 which is to establish clear feeders.2. Barnes Dual Language students are not part of the Sunset feeding community. Barnes will soon be 100% Dual Language and their kids are in separate classes in middle school. It's not that we're snooty, it's that we just don't know them. Their kids are kept completely separate. BSD has created this program and this division, it has nothing to do with the Oak Hills kids not socializing with them. Just like they have done with Summa, the district needs to quantify the number of dual language students and remove their numbers from the Sunset-feeding numbers. 4. As Oak Hills East identifies with the Cedar Mill community, it would be best to attend Timberland for middle school. As Oak Hills West identifies with the Westview community, they should remain at Westview and attend middle school with Bethany. 4. By establishing clean feeders it also supports walkability to our respective high schools. All of Oak Hills East is included in the 2 mile walkability radius of Sunset. Part of Oak Hills West lies within the 2 mile walkability radius of Westview. If Westview truly needs to unload students, please move students from schools that are already being bussed in order to save the precious transportation dollars of BSD. For example, to increase the number of Sunset-feeding kids at Stoller, all of Jacob Wismer should attend Sunset. 5. We have had several Town Hall meetings (some attended by school board members) in our homes, the school, and the community center of Oak Hills. We are united in our message to split before middle school. One dissenting voice with no affected child at a school board meeting does not represent our unified recommendation. 6. Oak Hills does not want to become the "fix-it" school to help FRL numbers at any one school. BSD has the responsibility to end the isolation of Oak Hills East kids and create a clear feeder to Sunset in this process. 7. Oak Hills East is a neglected pocket of the district. We don't have a loud voice like other schools in the North, and we're not enough kids to be really concerned aboutaccording to statements that have been made by district personnel. Please assign Oak Hills Sunset Bound Students to Timberland along with Terralinda community.Thanks,Subhashini
03/18/2020 2:36 PM	Sue Moody-Baker	suemoodybaker@yahoo.com	Cooper Mountain Elem	Highland Park MS		Cooper Mountain students need to continue going to Highland Park.
03/18/2020 12:53 AM	Suya Zhang	aiyaan@126.com	Springville K-8	Stoller MS	Westview	For the consideration of your health, I recommend to cancel the remaining meetings and go with what has been decided on March 12.
03/18/2020 9:13 PM	Tolmachev Nikolay	4228olenik@gmail.com	Rock Creek Elem	Stoller MS	Westview	Please keep Rock Creek north of West Union at Stoller in accordance with map C2.0. We are closer to Stoller than many parts of Springville or Sato.Any part of Rock Creek that moves must move with Bethany and Oak Hills wherever they go (I prefer Meadow, but could be anywhere).Please don't put any additional burden beyond options above on us since we are doing our share already whereas everybody at Stoller either stays or is relocated to another superschool (Timberland).
03/18/2020 11:12 PM	varsha	varshasuren@yahoo.co.in	Springville K-8	Stoller MS	Westview	March 12 working map makes Stoller 2021at 84% and 2025 is at 101%.There was one amendment considered in which Springville is split with South of Brugger road sent to Five Oaks. Please DON'T SPLIT our community and Elementary school. Keep all Springville at our ONLY middle school option, Stoller, especially since the projections have been lowered to show more realistic numbers for our established Springville community. It also puts FIVE OAKS OVERCAPACITY AT 113%. There are no portables at Five Oaks for this overcrowded situation, too.Boundary objective #2 is met for Stoller - less than 90% in 2021. Also it does need another boundary adj given the numbers for 2025 unless T&L decides not to use portables. Proposed Map without amendments fulfills the objective comprehensively for Stoller. Please don't split Springville. Entire Springville needs to go to Stoller.Also give preference to regular programs over SUMMA at Stoller.

3.18.20 MS BOUNDARY PUBLIC COMMENTS

03/18/2020 11:07 PM	vijaya	vijayanarun@hotmail.com	Springville K-8	Stoller MS	Westview	Thank you for voting on Stoller, Timberland and Five Oaks – it was the right decision to makeThe numbers work well keeping Stoller at LESS THAN 90% in 2021 and 101% in 2025.Once you remove the Summa numbers, Stoller is at 84% of permanent capacity in 2021 and 101% of permanent capacity in 2025 after which population stabilizes and falls again.
03/18/2020 8:26 PM	Vivekananthan Sanjeepan	sanjeepan@gmail.com	Bonny Slope Elem	Cedar Park MS	Sunset	Thanks a lot for school district and the committee for doing a great but difficult work of adjusting the middle school boundary. I have a daughter in middle school SUMMA program. Our home middle school is Cedar Part (and will be Timberland when it opens) but the SUMMA is at Meadow Park. It was difficult for her to move to a new school with few known friends from elementary school. In addition, not having a direct bus route in the morning was difficult for both the kids and parents. I am aware that the SUMMA location is not part of the boundary adjustment discussion. Still I wanted to express my request to have a SUMMA program at Timberland so that when my younger son (who is at Bonny Slope) goes to middle school and assuming he will be eligible to SUMMA, he will be at his home middle school with the rest of his elementary school kids. Given the number of projected students who are projected to be eligible for SUMMA at Timberland, it makes common sense to have a SUMMA program at Timberland. Again thank you all for the work you are doing on behalf of the community.
