03/20/2020 9:23 PM	Aminath Nazhath	nazu03@gmail.com	Rock Creek Elem	Stoller MS	Westview		Please keep Rock Creek north of West Union at Stoller in accordance with map C2.0. We are closer to Stoller than many parts of Springville or Sato.If we are moved we must move with Bethany and Oak Hills wherever they go (I prefer Meadow, but could be anywhere).Please don't put any additional burden beyond options above on us since we are doing our share already whereas everybody at Stoller either stays or is relocated to another superschool (Timberland).

03/20/2020 8:07 PM	C Wilson	candyawilson@gmail.com	Oak Hills Elem	Meadow Park MS	Westview		I am a parent of OHE kids who currently feed to MPMS and then to WV for high school. Frankly I'm sick of OH being treated as the fix it school and a pawn in all these boundary changes. We are REAL PEOPLE WITH REAL LIVES and relationships. BSD has a responsibility to feed these kids into schools that make sense. Stop making them jump around to MS with hardly anyone they know, and then even worse split them again at the high school level. Please keep Oak Hills West kids going to Westview! We are within walking distance for a large majority and have built relationships and participated in sports, etc with Westview! Do not send us to sunset. I believe splitting OH after elementary school would make the best feeder pattern for all involved. After elementary school, send the East side to Timberland and then onto Sunset. The west side of OH either needs to go to MPMS WITH Bethany! (do NOT make OH the only school North of 26 to attend MPMS), or send BE and OH to Five Oaks MS and then onto Westview for high school. Please don't ignore our voices.
03/20/2020 11:30 PM	Chung-Han Lin	chunghan.lin@gmail.com	Rock Creek Elem				Please keep Rock Creek/Bethany/Oak Hill together. If send these 3 schools to Five Oak cause problems, please send all three schools to Meadow Park. If Committee truly want to improve both Five Oak and Meadow Park, please consider bring Springville south. Sending Rock Creek to Five Oak alone is not fair and against equity, This is let our kid suffer.
03/20/2020 12:56 AM	Dina Hersey	dina.hersey@gmail.com	Cooper Mountain Elem				Hello Committee Members, Please consider changing the Cooper Mountain boundary to what it currently is. We would like to remain in HP boundary and continue on to MountainSide high school. It doesn't make sense to disrupt our community in such a major way when there are better options that are already in place. Thanks,Dina

03/20/2020 10:54 AM	Jennifer Hoffman	krh0923@msn.com	Cooper Mountain Elem	Highland Park MS	Mountainside	Please keep Cooper Mountain's boundary status quo. There has bee so much changed, cancelled, and unknown right now for the kids, that it would be so appreciative if at least one thing could stay the same for my daughter and her classmates. These times are tough for every age group, including soon to be children in middle school. My daughter is in 5th grade right now, and at this point, we don't know what the rest of 5th grade will look like or even if there is more school this year. Please change as little as possible for the kids. Please let the families that plan on going to Highland, go to Highland. Thank you.

03/20/2020 9:20 AM	Jeremy Johnson	doublej13@att.net	Rock Creek Elem			The students of Rock Creek Elementary deserve to be sent to a middle school that also has some of their neighbors in attendance. Rock Creek Elementary kids have after school activities and go to church and play with kids from Bethany Elementary, Springville, Oak Hills Elementary and Sato Elementary. Regardless of which Middle School, we need to send two other neighboring elementary schools with Rock Creek Elementary.

03/20/2020 4:23 PM	Jessica Adsit	jessicaeadsit@gmail.com	Cooper Mountain Elem				Please keep Cooper Mountain Elementary status quo, with the majority feeding to Highland Park. Please do not introduce another significant change/disruption to this community when it is not necessary.
03/20/2020 4:26 PM	Jessica Adsit	jessicaeadsit@gmail.com	Cooper Mountain Elem				Please keep Cooper Mountain Elementary status quo, with the majority feeding to Highland Park. Please do not introduce a change/disruption to this community when it is not necessary. The voices you have heard from Cooper Mountain at public testimony are NOT representative of the majority. It is unfair that significant changes are being discussed for this community at the very end of this process when we have not been given the same time to participate as the schools in the north, since until very recently we were not aware changes in our community were being considered. Please keep Cooper Mountain status quo.
03/20/2020 11:35 PM	kate Yip	kateyip2009@gmail.com	Rock Creek Elem				In Feb 25's map that Rock Creek/Bethany/Oak Hill went to Meadow Park together is a compromised but acceptable plan. Sending Rock Creek alone to Five Oak is not a fair steps and is not acceptable. If committee really want to improve Five Oak and Meadow Park at the same time, Map C 2.0 provide this option by sending Springville to Five Oak. This not only improve Five Oak, still following high school feeding pattern, but also resolve capacity issue and save transportation cost for overall BSD.
03/20/2020 2:12 PM	Kelsey J Rost	Kelsey.rost82@gmail.com	Elmonica Elem	Meadow Park MS			Reasons Elmonica South should be assigned to Five Oaks Middle School:Keep Title I elementary school together for middle school, support vulnerable studentsSmall number of students, even smaller than 3 years ago when assigned to Aloha High School due to elementary school boundary adjustment (a good portion now assigned to Beaver Acres Elementary)Excellent proximity and accessibility to Five Oaks, closest school (only 1 mile away, 3-4 min drive). Walkable and bikeable along greenway path.Part of Five Oaks community/neighborhood
03/20/2020 9:41 AM	Ken	kmilesmiles@yahoo.com	Cooper Mountain Elem	Highland Park MS	Mountainside		In the last few years, we have had a lot of change to our schools with the new high school boundaries. As a result of the new boundaries, a lot of us have had to make significant adjustments and sacrifices. The adjustment has also caused a lot of extra stress on our community. So, while I understand the need to make changes in the North because Stoller is above capacity, I don't see the need to make the same significant changes in the South. We don't have any pressing issues here and the changes proposed are significant and disruptive to our families. Let's not make boundary changes unless there is solid justification for doing so. This is what BSD has done in the past and it is a good precedent to follow. Right now there is enough uncertainty in the world. Let's not add uncertainty and stress to our community unless it is absolutely critical to do so.
