03/21/2020 9:22 PM	Aminath Nazhath	nazu03@gmail.com	Rock Creek Elem	Stoller MS	Westview		Please keep Rock Creek north of West Union at Stoller in accordance with map C2.0. We are closer to Stoller than many parts of Springville or Sato.If we are moved we must move with Bethany and Oak Hills or any two northern schools. Please don't put any additional burden beyond options above on us since we are doing our share already whereas everybody at Stoller either stays or is relocated to another superschool (Timberland).

03/21/2020 9:29 AM	Haddy El-Mansy	Elmansym@gmail.com	Cooper Mountain Elem				Please refer to the April 2019 district boundary adjustment to ease overcrowding at Elmonica Elementary. The bottom line is: [?]The District does not undertake boundary adjustments except when necessary.[?]And, [?]The proposed boundary adjustment will likely increase transportation costs, but the District must weigh those costs against the burdens of overcrowding.[?] This applies to the North but not Cooper Mountain and Chehalem. An additional \$50,000 on busing is an unnecessary cost of when there is not overcrowding.

03/21/2020 11:53 PM	Jason	J_s79@yahoo.com		Highland Park MS	Mountainside	The vote sound like while were at it lets move some kids in the south. But no one wants to move. 2 people said lets move other peoples kids but their kids get to stay in the school they want. Its not fair. Please dont move our kids to make the numbers at Mountain View look better. Use tax payer dollars to fix the problem. Not bus the kids.
03/21/2020 8:12 AM	Jeremy Johnson	doublej13@att.net	Rock Creek Elem			The students of Rock Creek Elementary deserve to be sent to a middle school that also has some of their neighbors in attendance. Rock Creek Elementary kids have after school activities and go to church and play with kids from Bethany Elementary, Springville, Oak Hills Elementary and Sato Elementary. Regardless of which Middle School, we need to send two other neighboring elementary schools with Rock Creek Elementary.
03/21/2020 7:47 PM	Kelly S	ksestero@hotmail.com	Cooper Mountain Elem			Please keep the budget and walk ability in the forefront of the decision for changes to Mountain View Middle School. Swapping Cooper Mountain and Chehalem does not meet the goal of walk ability and adds 2 bus routes and \$50k in transportation costs. It disrupts feeder patterns and does not support the goals of this committee. Please do not make the proposed change.

03/21/2020 3:09 PM	Nancy Collett	nancy@norwesters.ent	Cooper Mountain Elem				I ask that the advisory committee review and discuss the materials provided when making decisions about the Cooper Mountain attendance area. Not just the 2 oral comments made by parents that don't represent the majority of our boundary area. Review the written submitted comments. Review the statistics on free/reduced lunch changes; review the transportation costs and walk-ability to schools. The discussion about this in the last meeting felt rushed and time wasn't taken to discuss the relatively small change in free/reduced lunch rates the proposed change would make, or the increase in transportation costs, or that it is inequitable to only discuss moving Cooper Mountain's feeder pattern when schools in the northern half of the district have drastically different free and reduced lunch rates. I would ask that instead changing Cooper Mountain's feeder pattern, that Stoller's (where the free/reduced lunch rate is at 10%) feeder pattern be changed 1st. If this is going to be a criteria for changing feeder patterns, use the same standard everywhere in the district. Don't make this an issue that only effects our school. If this is too much work because so much time has already invested in making the decisions that effect the northern part of the district, then keep the same priorities in mind for the southern half of the district too. Since things like walk-ability and keeping neighborhoods together are the driving forces for Stoller, keep those the driving factors for Cooper Mountain too. The section of Cooper Mountain that is walk-able to MV, can continue to go to MV. Keep the remainder of our CM kids together at Highland Park with their neighboring schools of Sexton Mountain and Nancy Ryles. Keep CM status quo. Thank you

03/21/2020 8:02 PM	Patrick Paul	Patrickpaul42@gmail.com		Five Oaks MS			Hello, Our daughter went to Elmonica Elementry and now attends Five Oaks Middle school. However in the proposed boundary she would attend Meadow Park. Being able to go through school with the same group of friends and classmates helps foster a community feeling and is strongly needed as kids try to navigate going to the next level of schooling. Splitting up where kids from the same elementary school for middle school might add stress to them as they try to get familiar with new surroundings. Please reconsider and keep all of Elmonica Elementry going to Five Oaks and change back to have them go to West View as well. Let's give these kids that community that can help them thrive and develop.

03/21/2020 9:19 AM	Sally Badawi	sally.badawi@gmail.com	Cooper Mountain Elem			Please reconsider the March 12 vote on Cooper Mountain. This change is not warranted, is not a minor adjustment and does not reconcile a feeder pattern. It does not meet the committee's objective.
