

## Assignments for 4th and 5th grade GT for March 31-April 6th

1: Weekly Project Check In! Tell me what you have completed or worked on. If you have done all you can at home, please state that as well. Hope you have a wonderful week! Please either Log in to Google Classroom, write out what you have completed on your project, or take a picture and send it to me.

The next two assignments are OPTIONAL! Complete only if you would like to :)

2: A Rube Goldberg machine is something that uses a complex series of events to accomplish something very simple. Watch the video on the link below to see just how complex they can be!

What did you notice during the video? Do you think they had to set up the machine more than once? How do you know? What was the simple task they were trying to accomplish with this crazy contraption? How many times do you think they went through the motions to practice for this video? (I wouldn't want to be the one that had to clean it all up!) If you do not have access to Google Classroom at this time, please answer the questions on a sheet of paper and send it to me in a picture!

BONUS! Can you build your own Rube Goldberg? Try it! If you are able to, have your parents message me a video of your Rube Goldberg on Remind :). Remember, this is optional, and just to get you thinking. Answer the questions asked and see if you notice the same things other students noticed :)

<https://www.youtube.com/watch?v=qybUFnY7Y8w#action=share>

3: Visit the Wonderopolis site linked below. There is a new "Wonder" every day! After you visit the site, you can either choose the wonder for that day, or any of the other wonders, and fill out the Google Slides below :) There are 4 different slides you can use (You only have to pick one this week!) Change the title of the presentation to your name :) If you do not have access to Google Slides at this time, see the page listed below! Write these out on a sheet of paper and send it to me in picture.

Be Curious! Have fun!

[www.wonderopolis.org](http://www.wonderopolis.org)

**Wonder Title:**

Share two new words that you learned and their definitions:

Word #1:

Word #2:

**What did you learn from this wonder?**

4: Another OPTIONAL assignment - I am reading chapters of Ungifted and posting them to our Google Classroom if you would like to come listen!
