

Scavenger Hunt: Home Edition

Articulation

Search for items with your sound! How many can you find?

For example:

| | | |
|---------|------------|------------|
| Ketchup | Dresser | Toothbrush |
| Light | Toothpaste | Couch |
| Shoe | Calendar | Rug |
| Rug | Jacket | Door |

Language

+Find 5 items in a specific category around your house

For example:

- Electronics
- Furniture
- Shapes
- Things that are green
- Things that are smaller than a baseball
- Things you can read

+Make it simple “Find a toy” or more complex “Find a toy with wheels” for younger students

Point to each item

Write it down

Take a picture

Once you are done ‘hunting’ - ***Talk about each item*** (what does it look like, what is it for, what is it made of, etc.) or share how the items are ***similar*** and ***different***
