

Dear West Bloomfield families,

We understand the challenges of managing your child's Cloud Learning experience, finding a balance between work and home responsibilities and feeling alone in this journey.

We would like to invite you to our first **Lakers Connect: Navigating Cloud Learning and Our New Normal “meeting” on Thursday, April 2**. There are two opportunities to participate. The first session is at 10:30 a.m. and the second at 8 p.m. The Zoom links for each meeting are below.

Our discussion will be led by Becky Heitsch, district Restorative Practice coach, Amy Quinn, K-12 Science and Math Coordinator, Claudia Rodgers, Scotch Social Worker and Deanna Barash, Assistant Superintendent of Teaching and Learning. We will share some tips and ideas from our perspectives as educators and parents. We also want to hear your thoughts, feelings and frustrations. Our goal is to support one another during this unprecedented time in our world.

All families are invited to participate. We look forward to connecting with all of you on Thursday.
