Dear Students,

Welcome back from Spring Break! As we embark on our second week of eLearning, I want to let you know that many district staff members were hard at work over break to enhance our eLearning plans and develop expectations. We have developed a comprehensive [eLearning Expectations](#) document that is now available on our [eLearning webpage](#), where you are welcome to read and learn more about some changes in our practices regarding attendance, grading, schedules, and more. Your teachers will be explaining more about these practices in the coming days and weeks, but this document is also available for your reference.

Also, during the typical school year, we have student artwork on display at the Starbucks across from Paulus Park. Due to the *Stay at Home* order in place right now, we have created a [Virtual Starbucks Art Wall](#) which is linked at the top of our eLearning webpage along with this [Digital Scrapbook](#) from the first week of eLearning.

Keep up the great work! We are proud of the work you are doing, and we want you to be successful as we continue to provide you school experiences through eLearning during our school closures. So, remember to keep doing your best, and let your teachers know when you need help.

Sincerely,

Dr. Gallt

Superintendent
