Middle School Schedule

Students should be in the Zoom meeting for their respective classes a minute or so before the designated class time. A permanent link to each class will be on the front page of each section's classroom portal in the Learning Management System (myschoolapp). Classes will continue to meet on their regular schedule; each academic class will meet five times during the six-day rotation. Arts classes and personal development classes (Health, Decisions, and Contributing Citizens) will continue to meet, and advisor groups will meet via Zoom for five minutes at the beginning of each school day. When a student's schedule indicates a study hall, there will be no Zoom meeting unless that student has a scheduled HLC meeting time.
