

BPS SOCIAL EMOTIONAL SERVICES CALL CENTER

BPS has established a call center operated by School Adjustment Counselors and Nurses who have volunteered to provide additional assistance to students and families. The team is multilingual and can assist with information and strategies that address concerns related to school or community because of COVID19. The list below provides the name, number and language of the counselors and nurses available to take calls during day hours (9:00 a.m.-3:00 p.m.). **Please understand: THIS IS NOT a crisis response team. If there is an emergency or someone in your family needs an immediate response please call 911 or for a child in crisis, call Mobile Crisis 508-580-0801.**
