Spring 2021: Bills will be mailed to billing or permanent addresses November 20, 2020 and are due by **January 1, 2021**.

It is recommended that when you borrow a private loan that you borrow only once for the academic year. For example, if you are enrolling for the Fall and Spring semesters you should calculate your balance to cover the entire academic year. This will require only one loan application and review of your credit history.

Loans are disbursed in two equal payments unless otherwise noted. The Loan Period for the Fall and Spring semesters is **September 8, 2020 to May 7, 2021**.

Private loans will disburse after the add/drop period each semester.

GUIDELINES FOR ALTERNATIVE FINANCING

- ☐ Review your Offer Letter if you applied for financial aid.
- ☐ Determine your expected outstanding balance for the academic year (Fall/Spring).
- ☐ Research Private Loan Options best suited to meet your financing goals.
- ☐ Apply online or by telephone. Be sure to borrow once for the entire academic year (Fall/Spring) to avoid multiple loan applications and credit reviews.
- ☐ Once you apply, you will receive a Private Education Loan Applicant Self-Certification Form with your lender.
- ☐ You will also be required to submit a Promissory Note to secure your loan. This *must* be completed with your lender in order for your loan to be deducted from your tuition bill.
- ☐ Revised Offer Letters will be mailed to students acknowledging a Private Loan has been processed.

HOW DO I CHOOSE A LENDER?

Private loan programs represent a range of options and include eligibility and credit criteria, fees, interest rates and repayment options. When considering an alternative method of financing your education, you should be certain to review all of your options under each program before making a decision on what loan program best suits your needs.

WHEN SHOULD I APPLY FOR A LOAN?

Students can begin to apply for Private Loans in early June, to ensure that the credit does not expire on the loan application prior to disbursement. Receiving your Fall semester tuition bill is a good reminder that it is time to put your loan into place for your balance.

WILL I NEED A COSIGNER?

In most cases, yes. A creditworthy cosigner (a parent, relative or friend with good credit) can also strengthen the application and help reduce interest rates and fees.

WILL WE BOTH NEED GOOD CREDIT?

Yes. All private loans are credit-based. If you have adverse credit (for late payments, charge-offs or bankruptcies), you might want to consider a more creditworthy cosigner.

ARE THERE OTHER OPTIONS?

Yes. The college also offers payment plan options through Nelnet. For more information on the payment plans available, please visit the Fisher College website at www.fisher.edu/student-life/bursar/payment-plans.
