

Culford

Eastfields Nursery
Staff A to Z

About us

We are a deliberately small, private Nursery with a happy and relaxed atmosphere. We have good, positive relationships with all our parents and families. The Nursery is open from 8:00am until 6:00pm, with the option of breakfast club at 7:30am.

The younger children aged 1-2 years are based upstairs while the downstairs room, with access to an enclosed garden and play area to the rear, will be used by our older children aged 2-3 years.

We have a Nursery Manager, two Deputy Managers and Nursery Assistants who are qualified to Level 3 and above. We have very close links with the Pre-Prep School and we enjoy using some of its facilities, including the Weston Hall for some exciting toddler activities.

Learning Journeys: Tapestry

All children will have their own online Journal. This can be accessed by Nursery staff and the child's parents. This is where all children's photos and observations are recorded supported by the Early Years Foundation Stage curriculum.

All parents will be given a tapestry guide and consent form, please below:

Online Learning Journey – Parents' Guide

Introduction

All children in Nursery and Reception will have a personal on-line Learning Journey which records photos, observations and comments, in line with the Early Years Foundation Stage, to build up a record of your child's experiences during their time with us.

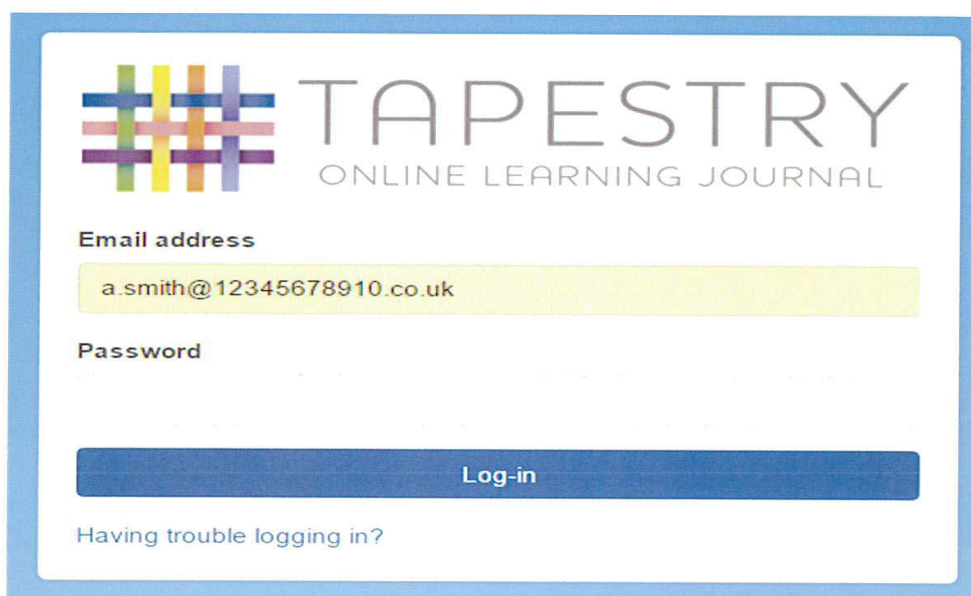

We use Tapestry, a system, which is hosted in the UK on secure servers. You will have secure access (via email address and password) to your child's Learning Journey and, in

addition to viewing our contributions, we encourage you to add to it by uploading photos and comments, or commenting on observations made by us.

Where do I start?

When you have given us an email address, we will set up an account for you. Once you have been sent an email activation by us you can use that link to log in for the first time. However, for future times, you will need to go to this URL to log in: <https://tapestryjournal.com/>. Alternatively you can search for Tapestry through Google. We strongly recommend that you change your password on your first visit.

This is what the log in page will look like:

The image shows a login form for Tapestry Online Learning Journal. At the top left is a logo consisting of a grid of colored lines (green, yellow, orange, purple, blue) forming a stylized 'T'. To the right of the logo, the word 'TAPESTRY' is written in a large, grey, sans-serif font, with 'ONLINE LEARNING JOURNAL' in a smaller, grey, sans-serif font below it. Below the logo and title, there are two input fields. The first is labeled 'Email address' and contains the text 'a.smith@12345678910.co.uk'. The second is labeled 'Password' and is currently empty. Below these fields is a blue button with the text 'Log-in' in white. At the bottom left of the form, there is a link that says 'Having trouble logging in?'.

Once you have successfully logged on you will be taken to the home page. Here you will be able to see your child's observations in chronological order. It is likely that the first time you log in there won't be very many, but this list will grow throughout your child's time at school.

At the top of the screen, next to your name, you will find your notification bell. If any observations/comments have been added since the last time you logged into Tapestry, they will show up there. You can see past notifications by clicking on 'View All Notifications'

There will be times when you want to add observations to Tapestry. These can then be seen by your child's key person and used to make assessments, or just as a contribution to the journal.

In order to add an observation, you first need to click on the blue 'Add Observation' button. This can be found on the home 'Observations' tab.

Once you have clicked on it, you will be taken to the appropriate page. Here you will need to pick your child/children from the drop down list, add a title, and then you can add some notes and media. Don't forget to press 'Save' when you have finished.

We hope you enjoy using Tapestry. Should you have any problems, please do not hesitate to contact your child's class teacher.

Agreed guidelines for accessing and using Tapestry

- I will not publish any of my child's photographs or videos on any social media sites.
- I accept that my child's image may be included in group photographs.
- I agree to keep the login details within my trusted family.
