**Objectives**

Objective / I Can:

- I can practice my spring concert music utilizing recordings and pdfs of the repertoire
- I can develop my sightreading skills using Smartmusic

**Activities**

Student Activities: Students will use Teams to access recordings of their Spring concert music, as well as PDFs. They will sing along with the recordings and record their practice in practice logs. They should aim to practice between 10 and 15 minutes a day on their music. Students will also log into their Smartmusic accounts to complete this week's sightreading assignments.

Go to [Teams Folder](#). Look for the assignment:

1. Students will log in to their Smartmusic account. There will be a sightsinging assignment that they complete and it will be graded in real time and submitted to me.
2. Students will go to the Files folder of Teams to find spring concert music recordings and PDFs. They will click [here](#) to access their Weekly Practice log, where they can log how long they practiced daily.
