

March 26, 2020

Mr. Jeffrey R. Gaudiosi
Executive Secretary
PURA
Ten Franklin Square
New Britain, CT 06051

Dr. Mr. Gaudiosi,

In light of the Governor's Executive Orders and declarations of public health and civil preparedness emergencies, and the closure of non-essential businesses, Cox has decided to temporarily close its public access facilities to the public. Additionally, we will modify the operation of these facilities to be reasonable and consistent with the spirit and purpose of the Order and limit the spread of the COVID-19 virus.

While we are not open to the public, the channels will continue to operate and run programming during this unprecedented time. Our staff has the ability to schedule programs remotely as well as change "community calendar" announcements. We will do everything possible to lessen the impact and inconvenience of these closures. Notifications and updates are done through our website, e-mail and at the physical facility locations.

Should you have any questions, please feel free to contact me at 860-250-9867.

Sincerely,

Peter Talbot
Manager, Government and Public Affairs
