

Senior and Middle School Christian Service Project Completion:

If students have already done required hours, they should be encouraged to now start completing reports -slides or other means of reporting out as per your requirements!

If they have NOT finished the hours requirement, we will be very pastoral, creative, and diligent in encouraging them to finish up BEFORE the deadline (somewhere around May 1, depending on your class).

For now, we will need to consider work done in and around the house as fulfilling the requirement. Making dinner for the family, yard work, clean up, anything that takes the load off the parents, can fulfill this requirement and should be done in the spirit of Blessed Edmund Rice.
