

Reviewing the Never-Never Rules

1st and 3rd grade students in the Renton School District are taught the Second Step: Child Protection Unit. This unit includes a lesson on **The Never Never Rules**, a compilation of rules to help keep themselves and our community safe. These safety rules help students learn how to be self-managers, and reinforces responsible decision making and problem-solving skills.

Activity:

1. [Review the Never Never Rules](#) with your child.
2. Listen to [the Never-Never Song](#) as a family.
3. Pretend your child is in a situation when a Never Never Rule is broken. Have them practice how to refuse and say “no” to an unsafe situation.
4. Talk with your child about the importance of reporting unsafe situations to you and other trusted adults.

Discussion Questions:

1. Which Never Never Rules have you used this week?
2. What would happen if everyone decided not to follow the Never Never Rules?
3. Who can you teach the Never Never Rules to at home?
