Science/Nutrition: The caterpillar ate lots of different foods! Some of it was healthy, some was not. Color in the pictures from what the caterpillar ate. Circle the healthy choices and put an X on the less healthy choices.

# ERIC CARLE: The Very Hungry Caterpillar

Life Cycle: Cut out the pictures from below and paste them in the correct order on the next page!

# ERIC CARLE: The Very Hungry Caterpillar

Life Cycle: Use the pictures from the last page to show the life cycle of a butterfly!
