A little extra time on your hands?
Explore future careers with a career interest survey.

To access Career Cruising...

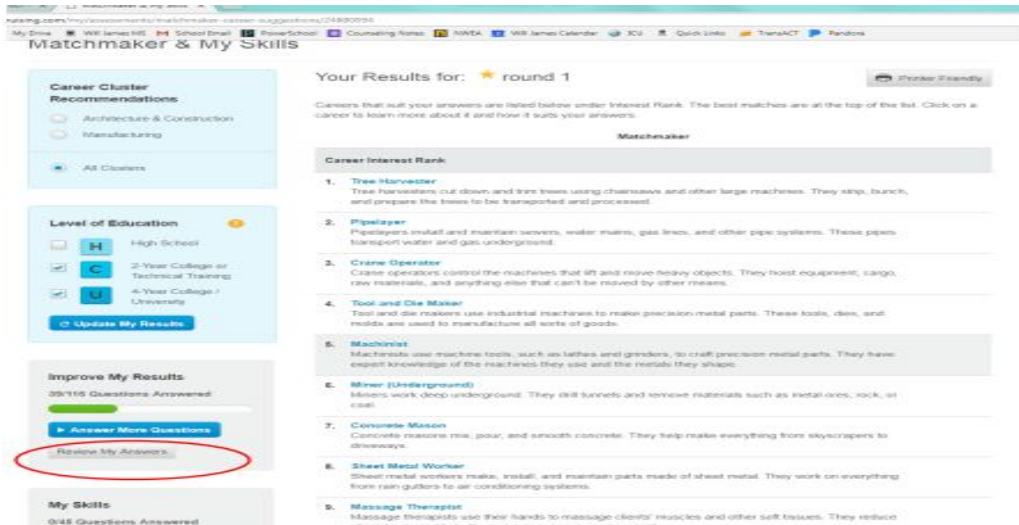

Students access Career Cruising through **Clever**. Clever can be accessed in the Chrome browser by clicking icon in the top right corner of the web browser. Once in Clever look for the **Career Cruising icon listed under Curriculum Apps**. Icon will log students directly into Career Cruising.

Click on **Assessments**, then on **Matchmaker and My Skills**

*8th graders: click **IMPROVE MY RESULTS** if completed during Career Day.

After you answer questions, you get a screen that looks like this...
