

Each week I have been sending out video posts on our website--I just finished #4 this morning---trying to keep those who go to our website or to Facebook---informed about things here at St Joseph's.

This Holy Week is going to be the most unusual in the 2000 year history of the Catholic Church. I know many people have been participating in Sunday and daily Mass on TV. You can watch Mass from Rome, St Patrick's Cathedral or on EWTN. If you go to the US Conference of Catholic Bishops website, there are a host of worship resources as well.

Here at St Joseph's, we hope to begin live streaming of our Holy Week services:

Holy Thursday at 7:30 pm

Good Friday at 3 pm

Holy Saturday at 8 pm

Easter Sunday at 10:45 am

Starting Easter Monday, we hope to live stream our daily Mass at 7:30 am
These services will be uploaded to our website and to Facebook.

Unique times call for new and creative ways for us to 'gather' as a parish family and worship.

I pray all of you and your families are healthy and safe.

A blessed Holy Week and Easter!

Fr Peter
