

The BSD website has a main page where a lot of this information is referenced. It's called the Community Resources Page and can be found here: [COVID-19 Community Resources](#)

The purpose of this document to supplement that information and add HP-specific resource information that may not be referenced on that page. There were also separate pages referencing Internet Help and those have been consolidated below.

FOOD RESOURCES

BSD Meal Plan Meal Distribution Information

[COVID-19 Emergency Meal Plans](#)

[Sunshine Pantry](#)

Probably the most convenient location to most of our families and with the most accessible open hours is not listed in the BSD Food Resources for some reason. It is located at the Beaverton Christian Church Annex on the corner of Wilson and Allen, 13600 SW Allen Blvd. The phone number is (503) 841-9418 and they are open from 11am-2pm, Monday through Friday. More info can be found on their website here: <https://sunshinepantry.org/>

There are additional food pantry options listed under Food Resources on the [BSD website](#). Days of operation and open hours tend to be less accessible than those of the Sunshine Pantry.

INTERNET ACCESS

Comcast/Xfinity for Affordable Internet At Home

Information page and application information is here:

<https://www.internetessentials.com/>

From the BSD Website:

During the closure, all Beaverton schools have available wireless networks from the exterior of the building.

There are 2 wireless networks:

- BSD User: For staff, students, and devices owned by the Beaverton School District
- BSD Visitor: Publicly available wireless internet access

The following informational resources are available for families seeking internet access. Summaries were taken from vendor web pages. Check the vendor web page for the most current information.
