SPREADING THE POSITIVITY!

During these times, it’s easy to feel down and lonely. Being seperated from classmates/co-workers, family and friends can be very difficult. We want to help everyone see the bright-side of things and look at all the good still present in our community.

We will be sharing posts on social media to help connect us all and keep the positivity alive. We encourage you to share and participate in spreading the positivity!

Watch our social media accounts for posts asking for you to share your pictures and experiences. Help us showcase the beauty of our Bishop O’Gorman Catholic Schools community.

2020-2021 ENROLLMENT

While this final quarter of the year has been unlike any other we’ve experienced, our strong community remains united! We are pushing onward with enrollment for the 2020-2021 school year and we want your children back! Thank you to the families who have already completed enrollment for more than 2,400 of our students. For those of you with a pending enrollment for next year, we’d love to count on your child(ren)’s return and ask that you complete the online TADs enrollment as soon as possible.

Please contact Jenni Struck at jstruck@ogknights.org or **605-575-3358** for questions related to enrollment.

FINANCIAL ASSISTANCE

When it comes to financial assistance, we’re often told “I don’t think we’ll qualify”. While we do consider financial need as an important factor, there is no real qualifying household income. We recognize that the year ahead may be financially challenging for many of our families and therefore encourage you to apply for financial aid (including scholarships) before the extended **April 15th deadline**. The online application can be found in your TADs online account.

Please reach out to Mary Haiar at mhaiar@ogknights.org or **605-575-3367** and Jenni Struck at jstruck@ogknights.org or **605-575-3358** if you have any questions.
